

## Monthly newsletter for recycling

As a result of growing problems of waste disposal and escalating disposal costs, there exists an increasing awareness of the option to divert materials from the waste stream and the need to recycle. In addition investment recovery must be maximized at the point of disposal of scrap or recyclable materials.

In this light we are pleased to introduce "The Recycler's Exchange."

The Recycler's Exchange is a monthly newsletter read by recycling industry leaders involved in various aspects of the recycling and waste industries including:

- waste removal, disposal, transfer;
- scrap ferrous, non ferrous, precious and exotic metals;
- waste paper and textile scraps;
- scrap plastics, rubber and tire recyclers;
- wood and pallet recyclers;
- glass recyclers, drum recyclers;
- dealers in reusable materials.

The Recycler's Exchange provides a unique opportunity to all those who generate waste or recyclable materials to obtain broad exposure to the recycling industry.

Anyone involved in tendering for scrap disposal or waste and recycling services can insure maximum participation by utilizing The Recycler's Exchange.

Anyone interested in learning details of how to participate in The Recycler's Exchange please contact The Recycler's Exchange, P.O. Box 2156, Cambridge, Ontario, N3C 2V8.

Jennifer Joan Knapman (left) was one of the Ontario Scholars to receive an award at Acton High School Friday night. Lyn McLaren hands Jennifer the scholarship, awarded to students with an 'A' average. (Herald photo)

Lorraine Hollywell (left) receives a Pro Plastic Industries Ltd. Award from Acton High School teacher Boniface Valvods. Ms. Hollywell was one of the graduates at Acton High School's commencement Friday night. The secondary school graduate also won four other awards, including the Halton Board of Education English Proficiency Scholarship. (Herald photo)
