## Acton Sabres strutting stuff

By COLIN GIBSON

Acton Tait Realty Sabres have a light schedule in Mid-Ontario Junior "C" Hockey League play this week but the team deserves a break in view of the club's most recent successes.

The Sabres were scheduled to take on Caledon last night (Friday) in a home encounter at Acton Community Centre - at press time the score was not available.

However, leading into the Friday night clash with Caledon, the Sabres had gone undefeated in three consecutive games.

According to league statistics, the six-point splurge moved Acton into fifth place in league standing with 14 points, but of more importance, within hailing distance of second place.

Orangeville Crushers top the league standings with 18 points, with Schomberg holding onto the number two spot with 16 points - just two in front of Acton.

League scoring statistics released show four Sabres among the loop's top 15 point-getters.

Jamie Litt, of Orangeville, sits atop the league scoring parade with 34 points on eight goals and 26 assists.

The Sabres' Craig Cullen is in third place with 28 points on 15 goals and 13 assists; Bob Gagnon holds down 10th place with 20 points on 12 goals and eight assists; Peter Cargill has 19 scoring points on seven goals and 12 assists, good enough for 11th place, while the Sabres Jeff Shevalier rounds out the league's top scorers with 18 points on nine goals and nine assists.

The talents of Cullen, Gagnon and Shevalier have not gone unnoticed by the league as the three Sabres have been selected to take part in the Mid-Ontario Junior "C" Hockey League All-Star game scheduled for tonight (Saturday),

8:30 p.m. in Orangeville.

The league's stars are set to challenge either Orillia Terriers or Oakville Blades, both Junior "B" teams.

At the outset of the 1989-90 Mid-Ontario Junior "C" Hockey League campaign, Sabre management promised improvement over last year's sixth place, 6-29-1 regular season record.

This year's edition of the Sabres has already surpassed the point total of last year's squad and is aiming for even greater heights.

The Sabres have two home games on tap next weekend.

Friday night, game time 8 p.m., the Sabres take on Bradford.

Sunday afternoon, 1:30 p.m. league-leading Orangeville Crushers test the mettle of the Acton team.

Both games will be played at Acton Community Centre.

## Sunny Acres host Flamboro

Sunny Acres Farms major midgets notched their 11th win of the 1989-90 season, Tuesday night, by edging Richmond Hill-Vaughan Kings 3-2 in a game played in the Kings home arena.

For a change, Sunny Acres Farms started strong and were in front 3-0 after two periods.

A third period letdown almost scuttled the Georgetown hopes as Richmond Hill-Vaughan rallied for two goals to make things interesting.

The home team rally proved a case of too little, too late, as Sunny Acres Farms held on for the win.

Paul Downs manned the Georgetown goal. Brad Amato scored twice with Mark McIntyre scoring the other counter.

Rob Boyle collected a pair of assists with single helpers, going to Brad Tutt, Adam Hagen and Gord Burke.

The win runs Sunny Acres Farms season record to 11-1-1, with the lone loss coming at the hands of Flamboro.

Sunny Acres Farms have a chance to avenge their lone loss this Sunday as Flamboro visits Gordon Alcott Memorial Arena, game time 4 p.m.

## Minor Atoms slip

# Century 21 drops a pair

Nov. 16 Century 21 Minor Atoms hosted Burlington. In two previous games this season Georgetown had a win and a tie so a little over-confidence was to be expected after Curtis Hoogendam gave the home side a 1-0 lead in the first period. Assists went to Shane Thompson and Sam Butt.

In the second period, Georgetown abandoned their passing game and it was every man for himself.

The result was a 4-1 deficit at the end of the period.

With only four minutes left in the game, Shane Thompson abandon-

ed his slapshot and used his wrist shot to score two brilliant unassisted goals to get Georgetown back in the game.

Just when it looked like the boys might salvage a tie, a long shot took a lucky bounce and eluded Scott Herbert in goal to give Burlington the victory 5-3.

Saturday afternoon (Nov. 18) Georgetown took their mini-slump of two straight losses into the unfriendly confines of Milton's Thompson Arena.

The last time these two teams met, Milton embarrassed us 14-1 so revenge was definitely on the minds of the visitors.

Milton took the lead with a minute-and-a-half left in the opening period but only nine seconds

later, Brad Kouyoumjian banged home a rebound from a shot by Brad Davidson.

Then, with only one second left in the opening frame, Trevor Rich found the puck on his stick with the open net in front of him after Shane Thompson had zipped a shot off the crossbar.

Unbelievably, Georgetown held a 2-1 lead after one period.

Over the next 20 minutes Milton gave our side a lesson in teamwork as they passed the puck around until they found the open man with the best opportunity to score and counted eight goals.

Andrew Beavan completed the scoring for Georgetown with a goal one minute from the end of the game with assists going to Davidson and Kouyoumjian.
