Before You Buy Your Next Home, Make A Modest Investment, And Get Complete Peace Of Mind.

Buying a home is probably the biggest investment you will make in a lifetime. A complete home inspection covers everything from the basement to the roof, including heating, plumbing, wiring, etc. It can save you a lot of grief and thousands of dollars. A complete written report is included in all inspections. A home inspection can make a difficult decision that much simpler and provide you with expert information that you need immediately.

We also offer:

- New Home inspections before closing
- Mediation service between contractors and home owner
- On site management and consulting
- Documentation and photographs for legal cases
- Inspection and progress reports on renovation work

Protect your investment... inspect before you purchase!

Traditional country styling combined with modern features and an efficient floor plan characterizes this three bedroom basement bungalow. Classic railed verandah, circle head window and horizontal siding adorn the exterior and create a rustic charm.

Off a bright skylit foyer, the living room boasts a dramatic cathedral ceiling and large masonry fireplace with adjacent built-in shelving - a stunning feature wall. The adjoining formal dining room views the garden to the rear. The step-saving kitchen with abundant counterspace, desk/organizer area and centre butcher block island, opens to a roomy breakfast nook. Resting in a cozy bay, the nook provides an expansive view and has abundant natural light. A French door off the kitchen leads to a covered verandah for outdoor entertaining. The laundry room, with large linen closet, is centrally located for maximum convenience.

The master bedroom includes a large wall closet and ensuite with raised bath and corner seat. The two additional bedrooms, one which may be used as a den or guest room, share a full bath with twin vanity. The total finished floor space of this home is 1,474 square feet. Ample storage and potential for future expansion is available in the full basement.
