It's all systems go, according to coach Peter Sturgeon, as the Georgetown Pontiac-Buick Raiders return to Central Ontario Junior "B" Hockey League, West Division action this weekend with two games on tap.

"We're healthy, in a good frame of mind, have had a couple of excellent practices and are looking forward to resuming league play," said Sturgeon.

Raiders had a week off from league play when the team took part in the 12th Annual Pepsi Junior Classic hockey tournament staged at Weston Lions Arena in Toronto.

Raiders dropped all three of their tournament games, but the affair was described as a "learning experience" by Sturgeon.

Friday night Raiders journeyed to Burlington for a game against the Cougars - at press time, the score was not available.

Saturday evening (tonight) game time 7:30 p.m. at Gordon Alcott Memorial Arena, Raiders host arch-rival Milton Merchants.

Sturgeon is hoping his team's most recent success against Burlington carries over into the weekend clash.

Prior to taking part in the Pepsi junior tournament, Raiders had reeled of two straight wins - 7-5 over Brampton Capitals and 5-2 over Burlington Cougars - to improve their season record to 3-16.

Raiders will encounter a familiar face when Milton challenges the hometown favorites.

Former Raider Kelly Foster, who was dealt to Mimico Monarchs of the junior division of the Metropolitan Toronto Hockey League, has surfaced with Milton.

Hard-working Brent Presswood has taken over the Raider scoring lead with 17 points on five goals and 12 assists.

Century 21 settles for 2-2 deadlock

Georgetown 2
Chinguacousy 2

After an exciting game on Friday night (Dec. 1) in which Century 21 Minor Atoms roared back to tie Brampton 5-5 with only four seconds remaining, our boys travelled to Chinguacousy for a rare Monday night contest.

Georgetown was easily the dominant team in this game but thanks to some great goaltending by the Ching netminder we had to settle for a 2-2 tie.

Three minutes into the first period Michael Crawford found Shane Thompson at the left point and his long shot bounced off the right goalpost.

Trevor Rich buried the rebound to give the good guys a 1-0 lead. The first period ended without another goal but Ching wasted no time in getting on the scoreboard in the opening minute of the second frame and the game was tied.

With just over three minutes left in the second period Ching took the lead on a play which everyone in the building including the Ching supporters agreed was five feet off-side.

It would have been a shame if that goal had stood up as the winner but Brad Kouyoumjian and Curtis Hoogendam had other ideas.

Just 15 seconds after the disputed goal Brad carried the puck down the left side and went around both the winger and the defenceman before unleashing a wicked shot at the Ching net.

The goaltender made the save but Curtis was there for the rebound.

In the third period, Kouyoumjian, Davidson, Hoogendam, Thompson (two goalposts) and Brown (open net) all had glorious chances, but the Ching goalie was up to the challenge and the final score remained 2-2.
