Sabres blunted by Bradford

Acton Sabres saw their 1990 Mid-Ontario Junior "C" Hockey League record hit the .500 mark Sunday evening as the Leathertown squad dropped a 5-2 decision to the hometown Bulls.

In their opening encounter of the new year, Acton nipped Alliston Hornets 6-5.

The loss Sunday against Bradford dropped the Sabres season record to 10-16, in the middle of the pack in league standings.

Sabres came out flat against Bradford and the hometown Bulls took full advantage to score four times.

The score remained 4-0 Bradford through two periods as the Sabres came to life and gamely fought back.

Acton outscored Bradford, 2-1 in the third period but the first period deficit proved too much to over-

come. Bob Gagnon and Jeff Shevaller were the Sabre marksmen.

Sabres have set themselves a hectic pace over the next few days with three home encounters.

Tonight (Wednesday) 8 p.m. at Acton Community Centre, Sabres take on Caledon Flyers.

Friday evening, 8 p.m. at Acton Community Centre, Sabres challenge league-leading Orangeville Crushers.

Sunday, afternoon, 3:30 p.m. at Acton Community Centre, Sabres entertain Schomberg.
