This three bedroom 1,888 square foot design offers two distinctive exteriors. Decorative wood trim, stucco and brick accents characterize the stylish Tudor finish, while beveled horizontal siding dormer and circle head windows adorn the charming Heritage elevation. Left, off the two storey entry, is a large living/dining room combination with warming fireplace and built-in buffet nook. The kitchen is a cook's delight, with its angled counter, desk/organizer area and abundant counter work area. The breakfast room, resting in a greenhouse bay, overlooks the sunken family room. An open railing separates the kitchen from the family room. A masonry fireplace and sliding glass door to the rear patio makes the family room an ideal entertainment centre. Access from the two car garage opens to a convenient main floor laundry/mudroom.

The staircase winds to a railed gallery above and leads to the elegant master bedroom. The master bedroom boasts a coffered ceiling, front view bay window, spacious walk-in closet and ensuite with raised whirlpool spa. The two additional bedrooms share a three piece bathroom and linen storage closet. The 221 square foot bonus room allows for future expansion and may be utilized as an additional bedroom, game room or guest room.
