Star Fuels stoking fires for post-season play

Georgetown Star Fuels Major Atom "AA" coached by Bob Craig and John Andrews are starting to put things together now as playoffs are looming just around the corner.

Two games this week resulted in a first time win over Oakville this season and a tie with Stoney Creek, one of the top teams in the league.

The 5-4 win over Oakville was a seesaw battle with both teams taking the lead at times, only to see it tied up again.

Georgetown goals were scored by persistence, digging and a real team effort from all the defence and forwards. Geoff Beuparlant had a super night in goal, stopping many Oakville attempts. Garry McNiven had a four point night, earning himself two goals and two assists. Other goal scorers were Andy Kerslake, Chris Goodhew and Pete Mashinter.

Assists went to Pete, Janie Briggs, Keith Hunt, Darin Finlayson and Robbie Pilgrim. Chris Corney and Ryan Taylor held the blueline well keeping the puck in the opposition's end for the scoring chances.

In the game against Stoney Creek, Pete Mashinter opened the scoring on a lucky high pass from the corner that hit the back of the goalie's mask and fell in behind him.

Assists went to Garry McNiven and Andy Kerslake. Stoney Creek then scored two goals, one on a powerplay to take the lead.

Chris Goodhew then tied the game up with assists going to Darin Finlayson and Robbie Pilgrim. With only 20 seconds remaining in the second period, Stoney Creek scored to take the lead again.

Shortly into the third period, Keith Hunt tied the game up. Assists went to Mashinter and Pilgrim, his second of the night.

Goaltender Andrew Craig had a fine night stopping many Stoney Creek attempts as Georgetown got into penalty situations. Stoney Creek scored twice, another one on a powerplay goal and went ahead by two.

Georgetown however did not give up. McNiven carried the puck down the ice around a Stoney Creek defence and shot wide off the end boards. Finlayson followed

through by netting a nice goal off the rebound.

With only a minute left, McNiven tied the game up 5-5 in a scramble at the corner of the goalmouth. Jamie Briggs earned the assist.

The team is off to Peterborough this weekend to participate in the "Liftlock Atom Tournament."
