Rousing comeback rewarded

After a great tournament in Newmarket, Century 21 Minor Atoms came home to host Burlington on Thursday night.

The home team came out a little flat and by the midway point of the second period Burlington had what looked like an insurmountable 4-0 lead.

Then Steven Smith and Wesley Blight combined to put Brad Kouyoumjian in the slot with one

defenceman to beat. Brad used that defenceman as a screen and scored to the top right corner.

Georgetown started to put the pressure on and were rewarded again when Blight stole the puck at the Burlington blue line and scored a beautiful unassisted goal after deking the goaltender.

Burlington got that goal back to start the third frame and with only five minutes left in the game the good guys were down 5-2.

That was when Kouyoumjian, our hottest shooter over the last month, took charge again. He went end to end before burying the puck past the opposition goalie's left shoulder. This goal really gave Georgetown a lift and they started swarming the Burlington end of the rink.

With only two minutes left Curtis Hoogendam picked up a loose puck against the boards just inside the blue line and drilled a high shot to make the score 5-4.

Georgetown continued to press and Burlington was holding on by their fingernails to their one goal lead.

With less than a minute left and the puck in Burlington's defensive zone coach Brian James pulled goaltender Scott Herbert for the extra attacker.

Burlington desperately shot the puck toward the blue line but Ricky Clark kept it in and passed to Brad Davidson. Brad passed to Shane Thompson who bulled his way to the slot before unleashing a rocket at the net.

The Burlington goalie's trapper shot out but he was too late as the puck was already behind him and our boys had unbelievably come away with a tie after being down 4-0.

In other recent action the guys beat Chinguacousy 3-0 with Kevin Humeniski earning the shutout. Leading up to the final game in the Newmarket tournament Kevin allowed just one goal in three games. Sandwiched in between was a shutout by Scott Herbert.

One goal allowed in four games is the kind of goaltending most teams can only dream about.

Mike Russell has been working very hard with Kevin and Scott and deserves a lot of credit for their recent successes.

As for the offence Brad Davidson (2) and Andrew Beavan scored the goals with assists going to Curtis Hoogendam, Shane Thompson and Steven Smith.
