ARCHED ENTRY INTRODUCES A VAULTED FOYER

Deeply weather recessed entry spills to a coffered ceiling living room with bay window. An archway separating the living room and dining room creates an elegant atmosphere for formal entertaining. Double French doors open onto a cosy den with connecting three-piece bath. This allows the den to be used as an extra bedroom or guest room.

The informal area of the home revolves around an open kitchen and breakfast room. The gourmet kitchen includes a large centre cooking island, built-in desk, pantry and sunny breakfast bay. The large connecting family room features a masonry fireplace and access to a garden patio.

The open railed staircase ascends to a railed gallery and the three bedrooms. The master bedroom boasts his and her walk-in closets and lavish ensuite with twin vanity, raised whirlpool spa and shower. The two additional bedrooms share a main bath with soaking tub. The spacious bonus room provides an additional 334 square feet of living space - ideal for a game room or media centre.

The finished floor area of this family home is 2,506 square feet.
