

Bodanis Bruins feasting well

The Georgetown Major Peeewe "AA" Bodanis Bruins scored easy wins over Oakville and Flamborough this past week by scores of 6-2 and 9-2 respectively.

In Oakville on Thursday night, the two teams put on a display of hockey that merits no positive comment.

Offensively, Jim Katsilieris led the charge for the Bodanis Bruins as he scored two goals and added an assist. Mark Aldridge, Duke Bouskill, Duane Eler and Jamie Stephenson all chipped in with a goal and an assist. Gavin Glaser earned two assists, with single helpers to Doug Sheppard, Blaine McCauley and Sandy Davidson.

Chad Hughes played a very solid game in the Major Peeewe net.

At Alcott Arena on Saturday, Georgetown overwhelmed a disinterested Flamborough squad to the 9-2 count.

Winters Aldridge and Bouskill each recorded two goals and two assists for the Bodanis Bruins.

Katsilieris continued his strong play with a goal and two helpers. Eler and Glaser contributed a goal and an assist each, while Stephen Yurichuk and Brent Wilkinson counted single markers. McCauley added an assist.

It was John Waller's turn to stand tall in the Major Peeewe net.

Wins in Ancaster and at home against Chinguacousy will ensure the Bodanis Bruins of a spot in the Tri-County championship final.

Major Atoms

Star Fuels run hot and cold

Georgetown Star Fuels Major Atom "AA" completed a busy past week of three Tri-County playoff games with a 6-2 decisive win over Streetsville, a very close contested 4-3 loss to Flamboro and an 8-1 blowout to Milton.

On Thursday night against Streetsville, the Fuelers goal scorers were Andy Kerslake, Darin Finlayson, Ryan Taylor, Chris Goodhew and two goals for Jamie Briggs.

Single assists went to Pete Mashinter, Finlayson and Taylor; two assists each for Kerslake and Stephen Markham.

Geoffrey Beauparlant played a solid game in goal for the home squad.

Saturday night in Flamboro saw the Star Fuels in a hard-fought fight to the finish in a 4-3 loss.

Single markers went to Mashinter, Markham and Goodhew. Assists were earned by Briggs, Goodhew and Finlayson.

Andrew Craig played a fine game in net for the Fuelers.

On Sunday, the tired Fuelers ran out of gas against a very strong Milton team.

One ray of hope for this game came late in the third period, just in time to break their shutout. Gary McNiven scored on a nice low shot from the slot, with assists going to Markham and Finlayson.

To date, the Fuelers' playoff record sits at two wins and two losses.

The Star Fuels Major Atoms are now looking forward to their tournament play at Port Colborne during March Break.

Georgetown Baseball Association

Rep players must register

The Georgetown Baseball Association will be holding registration nights for the upcoming season on Thursday, March 8 and Wednesday, March 21 from 6:30 to 8:30 p.m. at Centennial School on Delrex Boulevard.

Registration fees are the same as last season with T-Ball players paying \$50 and others paying \$55.

There is an additional charge for those players who earn a spot with the Georgetown Rep teams. Rep players must be registered with the GBA by Thursday (tomorrow).

Last year the GBA ran a Peeewe-Bantam (and a few Midgets) house league program. It is hoped there will be enough Peeewe and Bantams registered this year to run their own leagues. Peeewe players are ages 12 and 13, Bantams are 14 and 15 years old.

The GBA is continuing to seek volunteers who are willing to act as convenors for the various leagues.

Coaching positions at all levels are also open. As well as many house league coaches, the GBA is very interested in locating a coach for the 9-years and under T-Ball Rep players. This team is a priority in order to build a strong base for Rep baseball in Georgetown.

Many prospective players are ready to take part but a coach needs to come forward.
