Railed verandah, dormer windows and decorative wood trim adorn this 2,373 square foot country colonial. Vaulted foyer with sweeping curved staircase is flanked by the living and dining rooms. A cosy masonry fireplace and double French doors to the covered verandah makes the living room ideal for formal entertaining.

A spacious island kitchen, with pantry and abundant counter space is a gourmet's delight. Adjoining the kitchen is a breakfast bay and large family room. This area creates a large informal area perfect for family gatherings. The family room includes a wood stove, large picture window and garden patio. A main floor laundry room, with convenient three-way access and bathroom with shower, complete the main level.

Upstairs, a skylight brightens the railed gallery. The master bedroom is a lavish retreat with dormer sitting area, walk-in and wall closets and ensuite with shower and long vanity. The four additional bedrooms share a four piece main bath with twin vanity and soaking tub. The bonus room, with private stairway access, provides an additional 346 square feet of living space. The bonus room can easily be used as a game room extra bedroom and nanny or guest room.
