

Falk lives on Saturday nights

ASK DICK KLEINER

DICK KLEINER

Q. My sister-in-law said I told her that Peter Falk had died. I don't remember telling her that but I will go along with it, so would you please: set me straight and tell me if he is dead or alive. A \$5 bet is riding on this. — E.B., Muskegon, Mich.

A. I have no idea what, if anything, you told your daughter-in-law, but Peter Falk is certainly exceedingly alive. Those are new "Columbo" episodes ABC is airing on Saturday night.

Q. Can you please tell me if "The Waltons," with Michael Learned, will ever go into syndication? I still miss that show and would love to watch it all again in re-runs. I'd like my children to enjoy it, too. — E.G.K., Andover, Mass.

A. It has been in syndication for quite a while, but obviously none of your local stations have bought it. If you have any influence with them, tell them it can be had by contacting the Warner Bros. syndication people.

Q. Is Joe Bologna, the star of "Rags To Riches," his real name? Where did he grow up and go to school? — A.B., Trenton, N.J.

A. Yes, he is a genuine Joe Bologna. He was born, raised and educated in Brooklyn.

Q. I have long been looking for a film I saw when I was a child. I am 59 now, so I imagine this was in the '30s. It was a cartoon and I think it was called "Mr. Bug Goes To Town." I loved it and would love to give a video of it to my granddaughters. — M.L.S., Deland, Fla.

A. It was actually made in '41, and its title was subsequently changed to "Hoppity Goes To Town." If you look for it by that name, you will find a video.

Q. I bet I'll stump you with this one! Many moons ago, probably around 1968, a film about a Catholic girls' school was shown in my hometown, Lakeland, Fla. Yet I've never heard of

it since. It had a catchy theme song, "Where Angels Go, Trouble Follows." Was that the correct name of the film, who was in it and can I get it on tape? — M.L., Joplin, Mo.

A. How much did you bet you'd stump me? "Where Angels Go, Trouble Follows" (the name of the film, as well as the song) was an unsuccessful '68 sequel to "The Trouble With Angels." It starred Rosalind Russell, Stella Stevens and Susan St. James, and it's not available on video.

Michael Learned

Q. My husband and I have a gourmet dinner riding on this. He says the theme song to the popular soap opera "The Young and the Restless," is a famous titled and recorded piece. I say no way! Who wrote it? Is there a recording available? — M.O., Grand Haven, Mich.

A. I suggest you try the duck a la kiwi. No, that is a piece of music written just for the show and, CBS tells me, it has not been recorded. "The Theme From "The Young and the Restless" was written by Barry Devorzon and Perry Botkin.
