

is pleased to announce the appointment of
PARK LINCOLN-MERCURY
as our exclusive distributor for
Ford Luxury Vans

STOCK No. 9882 & 9861

TODAY'S FULL SIZE CAR

Realizing your vehicle is a large part of your day-to-day schedule, North American Coach builds vans to make your life easier. Whether it's getting to and from work, or getting the kids and their gear to activities, our vans provide the versatility needed today. The interior seats 7 adults comfortably and still leaves room for cargo. Our vans

are convenient but not at the expense of comfort. Fully equipped luxurious interiors include 4 individual reclining captain's chairs, rear sofa, premium AM/FM cassette stereo, oak and brass trim, plush carpeting and much more. North American Coach Vans are part of the changing way that people are getting around these days.
