AFFORDABLE RANCH DESIGN OFFERS TWO EXTERIOR FINISHES

Distinctive three bedroom, 1,494 square foot design may be finished in low maintenance California stucco or attractive horizontal siding with brick accents. The floor plan is designed for a home with a view to the rear of the lot; living, dining and master bedroom positioned to the back of the home. A bold multipaned transom window brightens the vaulted entry and welcomes guests. Spaciousness throughout the home is enhanced by the vaulted ceilings and open floor plan. Kitchen with long work counters adjoins the breakfast room. The dining room, located conveniently to the kitchen, stretches to the living room. Decorative planters shelf and fireplace adorn the living and dining room.

The master bedroom boasts a vaulted ceiling, planter ledge, spacious walk-in closet and ensuite with raised whirlpool spa and twin vanity. The two additional bedrooms each with vaulted ceilings share a main bath with soaking tub.
