**Diesel economy and durability!**  
Ford LGT-14D

Ask a farmer or construction contractor why he prefers diesel power. Chances are he'll answer: "Economy. Durability." Now Ford's 14D lawn and garden tractor brings you the advantages of diesel power and quality-built construction for big-area mowing, gardening and other chores.

- Three-cylinder, 14-horsepower liquid cooled, high-torque diesel engine.
- Hydrostatic drive. Convenient toe-heel pedal controls forward and reverse—with no shifting or clutching.
- Options: 48-in. shaft-driven mower, three-point hitch, PTO, power steering.

Ford's LGT-14D is built tough enough for commercial use. And you can count on us for expert service and fast parts availability, since diesel tractors are our stock in trade... all backed by the Ford reputation for high quality and value.
