Dormer windows with clapboard shutters and covered porch gives this spacious four or five bedroom home a feeling that blends relaxation and refinement. The double door entry leads to a vaulted foyer with graceful staircase that branches in two directions. A large circle top window brightens the foyer and accent the planter shelves over the entry. Flanking the foyer are the living and dining rooms, each twin in shape and size and boast tray ceilings and arched entries. The kitchen, sure to please any cook, includes a centre cooking island, spacious counters, pass-through to the dining room and adjoining breakfast room. The spaciousness of the large family room is further enhanced by the high vaulted ceiling which is open to a railed bridge above. A masonry fireplace is surrounded by double French doors crowned with half circle transom windows leading to the garden patio. The main floor master bedroom features a lavish ensuite with roomy walk-in closet, twin vanity, raised whirlpool spa and separate shower and toilet.
