

Barn fire

A small garbage bonfire which spread into a barn near the intersection of the Eighth Loe and Sideroad 22 caused firefighters little trouble as they extinguished the blaze in just over an hour. The fire started at 4:26 p.m. April 21. No damage estimate has been given in the fire. (Herald photo)

New captains at fire station

Halton Hills firefighters Bruno Martina and David Ford will soon be promoted to the position of captain.

On the recommendation of fire chief Bill Cunningham the town's general committee approved the promotions at Monday night's meeting. Town council still has to approve the positions before they are made final.

The next council meeting is April 24.

Currently a preliminary design study is being carried out by the Town of Halton Hills on the above-noted section of Main Street. The study is being undertaken in accordance with the requirements of the Class Environmental Assessment for Municipal Road Projects.

In February of 1990, alternative alignments for Main Street were reviewed with the public. Since then the alternatives have been analyzed and evaluated in order to determine a preferred alignment. A second Public Information Centre has been arranged to review the study recommendations and receive public comment. The Information Centre will be an informal drop-in centre where those who attend will be able to discuss the study with municipal representatives.

The meeting is open to all interested parties. If you are unable to attend or have any questions, please contact:
