

Councillling the earth

Halton Hills Mayor Russ Miller (with shovel) and town councillors donated this Flowering Japanese Cherry Tree to the town Monday night in recognition of Earth Day this past Sunday. (Herald photo)

Houses, apartments planned in Acton

The Acton Royal Canadian Legion recently submitted a plan to the town to build 63 houses, 16 apartments and 45 townhouses on Legion-owned property adjacent to the east part of Fairy Lake.

A spokesman for the Legion confirmed a subdivision plan has been submitted to the town, but he stressed the type and number of houses is still undetermined. He did say some of the housing would be allotted for Acton

seniors.

The spokesman predicted the Legion would hear nothing about the likelihood of a subdivision being approved for another two months.

But the Legion doesn't anticipate any objections from the town. The town staff has given no indication it has any objections, said the spokesman.

The subdivision plan is currently being circulated to the various departments for comments.

Lottery funds help people with disabilities.

Sharmila lost a leg to cancer when she was six years old. With the help of a prosthetic leg, Sharmila is able to skip and swim with her friends.

Helping people with disabilities is just one way lottery funds are used.

Lottery funds are also used to provide grants in other areas such

as sports and recreation, arts and culture, hospitals, and province-wide charities.

This is how Lottery funds are working for you in your area.

Boys & Girls Clubs of Ontario, Hamilton
Ontario Association of Family Services' Agencies,
Niagara Region
Victorian Order of Nurses, Oakville
