## Volleyball tourney gets top marks

Friday, Georgetown District High School held an Invitational Elementary School volleyball tournament for boys and girls ranging from grades 4-6.

The schools involved included Robert Little, Pineview, Stewarttown, George Kennedy and Joseph Gibbons.

The tournament was played in a round-robin rotation giving each team a chance to show their skills and sportsmanship as a team and as individuals.

Sandy Weeks, a grade 13 student at G.D.H.S., ran the one-day tournament as a part of her OAC Phys-Ed course. "The main goal I set for the tournament was for the kids to have fun and to establish friendly competition. After seeing the results of the tournament, I felt I had accomplished my goal and all the hard work put into organizing the tournament had paid off. The experience was very rewarding."

There were several awards handed out to the teams. Each team received individual ribbons according to their place in the standings and 1st-3rd place took a team plaque back to their school.

For the boys' teams, Stewart-

town placed first with George Kennedy placing second and Robert Little following close behind with a third. (Joseph Gibbons 4th, Pineview 5th).

The first place girls' team was also Stewarttown.

George Kennedy took second and Joseph Gibbons third. (Robert Little 4th, Pineview 5th).

The other awards went to the two MVP's for the tournament. Receiving trophies were Kelly Truman from George Kennedy School and for the boys, Steve McDonald from Robert Little.

In order for Sandy to set the standard for friendly competition, she decided to hand out a 'Most Sportsmanlike Team' trophy for the top boys and girls team, showing the most sportsmanship.

"This was a really hard decision," she said. "Every team showed so much enthusiasm and sportsmanship, it was difficult to pick just one from each division."

However, the decision was made and for the girls, Pineview School won with lots of team spirit.

The George Kennedy boys' took home the trophy for their great spirit and support for the girls.

## Baton twirlers get recognition

Deanna Guignard and Andrea Chisholm, of Georgetown, will join 1,200 competitors from across Ontario at the 1990 Ontario Baton Twirling Championships which will be held in Kitchener, at the North Campus Athletics Facility of Humber College, this Friday, Saturday and Sunday.

Baton twirling attracts approximately 10,000 participants each year and is recognized as one of the fastest-growing sports in Canada.

Baton twirling gained official sports recognition by the Ministry of Tourism and Recreation last fall.

Deanna, 14-years-old and Andrea, 12-years-old, will be competing as members of the Georgetown-based Batons East club, under the

tutelage of Darlene and Tim King.

The two Georgetown girls will be competing in the same events, including Level "A" freestyle, advanced solo, advanced medley, Level "B" two-baton and advanced Level "A" solo dance.

Deanna and Andrea are hoping the Kitchener event will qualify them for the Eastern Canadian Championships scheduled for Humber College May 19, 20 and 21.

The 1990 Canadian Championships will take place in Montreal, Que., this July, while the World Championships are scheduled for San Antonio, Texas, in August.
