

The Georgetown Day Care Centre in Norval held its Open House for parents and children Saturday and the day's activities centred on what the children have been learning about the environment. Pictured

above, four-year-old Michael McColl gets a little help from daycare teaching assistant Michelle Gasfey in planting a bean seed. (Herald Photo)

## Talented Acton lass

A "very talented" Grade 11 Acton High School student is heading south for the summer, A.H.S. teacher Murray Swanston said.

In only the second year of Acton's participation in the Vocational Industrial Clubs of America competition, Priscilla Foster, 16, has won both the Halton and Ontario competitions in architectural drafting, and has earned the right to compete in Tulsa, Oklahoma.

This is the first year the school entered the drafting competition.

Priscilla has only taken one semester of drafting and noted "I was the youngest person there."

She is the only Halton Hills student to be going to the Vocational Industrial Clubs of America (VICA) competition. She first placed in the gold medal ranking at Halton's Technical Olympics held at E.C. Drury in Milton. Priscilla then went to Mohawk College to compete in the Ontario Skills Canada Competition and placed first in architectural drafting.

"I'm quite surprised. I didn't think I'd get this far," she said.

Going into the technical olympics she was not really thinking about winning, she said.

In the Ontario competition she

thought to herself, "I can do this stuff," and she did.

As she prepares to head to Tulsa, between June 24 and June 30, Priscilla wants to try and relax before competing. "I guess you don't know what will be there" (tough competition), and not knowing "what the future holds in store," makes her nervous.

"I guess I must be okay or pretty good if I've got this far," she said, sounding unconvinced.

**M & R** Book & Record Exchange

OVER 30,000 BOOKS IN STOCK ALL COMPUTER CATALOGUED

We Buy & Sell New & Used Records, Tapes, CDs and Books
