

# Soccer Scene

By Alex Tough

Did you view Canada's 1-0 win over the 1994 World Cup hosts, USA, on Sunday? An intriguing game in some respects, I thought. USA have been travelling and training across Europe and their overall fitness showed in the end. Some players on both squads have had exposure in European, including UK, soccer this winter and it showed in their playing styles and techniques.

TSN showed the whole game and will follow with the European Cup Final this Wednesday (9th) and English Cup Final on Saturday (12th) - live. TSN is also committed to show all 1990 World Cup games from Italy from June to July.

Television coverage of the game is greater in Canada than in most European countries, including UK and not including Italy. It is something of a blessing and we soccer nuts should be grateful for the exposure the game is given by TSN for we do not see much coverage by other media in the same vein. Labatts are a major sponsor of TV soccer, as other events, and without them there would be none at all.

My spies tell me that Molsons, sponsors of the 1986 World Cup, lost money on the deal. There is speculation that Labatts may experience similar results. This in turn may lead Labatts to drop soccer TV sponsorship and this would be a major loss and no TV soccer resulting.

Viewers, clubs, teams, leagues and others should let the TV company know that the programmes are watched and appreciated. World soccer is not obtained without sponsoring dollars and a sponsor will not provide when there is no return or no measurable return. You must write, call in person or telephone by yourself or through your club or team, or petition otherwise we could be in the last throes.

Georgetown's Peel-Halton league team has entered the Ontario Cup and our last senior entry, from the T and D league went to the final a couple of seasons ago and were unfortunate in defeat to Braga, who were tainted in player registration, but unproven. Georgetown has been drawn to play Saltfleet on Saturday, June 9 with another possible home game two weeks later.

Coach George Baines informs me that some players have yet to show for practices and their places are very much open to other trialists. The opening league game is currently set for May 25. Coach Baines will take a look at anyone who wishes to try out, call him at home, 877-5573 or workplace, 877-0472.

The lads and the Ancient Mariners had a scrimmage last week and the result, although not too important for either team, was 3-2 to the youngsters in a well-played game considering the first time on the field. Mariners also had a run out with Nunzio Varrichio's under 18 squad.

Most Inter-County teams are out and about preparing for the mid-May opening. Meteor host Streetsville, Eagles host Marlin, Villa host United and Mariners travel to Crown for the first division. Second division Ajax and Stingers entertain Trexcon and Merseyside respectively with new Georgetown team, Blazers, going to Milton. The league has a meeting in Milton, Bayrischerhof on Steeles at 8:00 p.m. for the teams and 7:15 for the executive committee.

This evening (Wed. 9th) Mariners meet at Cedarvale at 6:15 before travelling for their friendly with Acton Villa, probably in Acton.

# Baseball Rebels sporting a winning 2-1 record

The Georgetown District High School Rebels boys baseball team is proving to be a force to be reckoned with as the 1990 East Halton league season nears its mid-point.

Monday afternoon at the Fairgrounds baseball diamond, the Rebels combined stellar pitching with timely hitting to hump Bishop Reding High School of Milton 8-2.

Scott Vandevalk collected the win, with relief aid from Adam Poyntz, who was credited with the save.

Adam Hagan, Steve Lee and Bob Dezeuw provided the bulk of the power in the winning effort as he rapped out two hits.

The Rebels opened 1990 regular season play with a disappointing 5-2 loss to White Oaks High School of Oakville, then rebounded to blank E.C. Drury High School of Milton 4-0, behind the shutout pitching of Vandevalk.

In the initial season victory, Jeff Hannah picked up the save, and also pounded out a two-run single, while Abad Mora helped the cause with a single and a double.

Rebels journey to Oakville today (Wednesday) for a game against Oakville-Trafalgar High School.

This coming Monday the Rebels journey to Loyola High School of Oakville.

The Rebels next home game is slated for May 22nd, 3:30 p.m. at the Fairgrounds baseball dia-

mond, with Milton District High School providing the opposition.

**Town of Halton Hills**  
1 Halton Hills Drive — P.O. Box 128  
HALTON HILLS (Georgetown), Ontario L7G 5G2  
873-2600

IN THE MATTER OF The Ontario Heritage Act, R.S.O. 1980, Chapter 337, in the matter of the lands and premises at the following location, in the Town of Halton Hills, in the Regional Municipality of Halton.

### NOTICE OF PASSAGE OF A BY-LAW

TAKE NOTICE that the Council for the Corporation of the Town of Halton Hills has enacted By-law No. 90-45 to designate the Beaumont Knitting Mill at 86 Main Street, Halton Hills (Glen Williams) on property described as Lot 42, Plan 1555, Town of Halton Hills, in the Regional Municipality of Halton, as being of architectural and historic interest under Part IV of the Ontario Heritage Act.

#### Reasons for Designation

The property was originally owned by James Leslie, and subsequently by Joseph Tweedle. It contains a structure which was probably built by Richard Hurst shortly after 1872. This "Shoddy Mill" was added to over the years by Samuel Beaumont. The structure is comprised of a three-storey mill building and a one and a half storey building fronting Main Street which straddles the original mill race.

Both buildings are of coursed rubble limestone. The three-storey structure has a four-sided mansard roof with twenty dormers with projected eaves.

The three-storey portion is the oldest remaining mill constructed within the Village of Glen Williams. It has been in continuous use as a knitting mill from the 1870's to 1982, and as such it was a place of forty to seventy-five Glen Williams residents since the mill was established. The structure stands as an industrial landmark to the north approach of Glen Williams.

DATED at Halton Hills this 9th day of May, 1990:

Dan Costea  
Administrator-Clerk  
Town of Halton Hills
