

## Recreation Report

# The sport of lawn bowling attracts all ages

Fresh Air, Social Interaction, Strategy, Safe Exercise, Any Age, Inexpensive, FUN. Lawn bowling is one of the few sports that can claim all of the above. Contrary to public perception, lawn bowling is a game that can be enjoyed by both young and old alike. It is easy to learn, yet difficult to master. Why not give it a try?

So you say you've never tried it? Why don't you enrol in beginner lessons now being set up by Halton Hills Recreation and Parks Department. In just four easy lessons you will learn to become a competent bowler from instructor Norris Hobbs. Call 873-2600, ext. 268 for more information.
