

**"Nutri/System
helped me do something
I could never do before—**

**Take off 102 lbs.
and keep them off."**

"Once I lost weight, the Nutri/System counselors taught me how to avoid gaining it back. It was simply a matter of good nutrition. I ate foods that were low in sodium and cholesterol. And were delicious, too. Now that I'm eating better, I look and feel better. And I've been able to maintain my weight for 10 months now. I've never been happier in my life."
