

Molson "300" runs at Cayuga

The Molson Export 300 for championship late model stock cars will return to the five-eighths banked oval of Cayuga Speedway June 1-3, 1990, marking the 11th year of American Sped Association (ASA) competition at the popular oval south of Hamilton.

The field for the Molson Export 300 should be wide-open now that perennial front-runner Butch Miller has jumped into a full season of Winston Cup Racing. Veteran Mike Eddy will defend his 1989 ASA title against the likes of Junior Hanley, Ted Musgrave, Harold Fair and Bob Senneker. This full weekend of racing excitement also will feature the CASCAR/General Tire Super Series.

A number of other exciting events will be coming to Cayuga Speedway once the checkered flag has been waved to crown the Molson Export 300 champion.

The Big Rig 150 sanctioned by Great American Truck Racing (GATR) will roar into Cayuga June 15-17. This stop of the \$500,000 series will showcase two 75-lap feature races.

To compliment this dynamic weekend of racing, an impressive truck and trade show featuring some 350 exhibitors, and the \$15,000 Navistar Show and Shine competition will provide something for everyone. An added special attraction this year will be Tyrone Malone's Million Dollar Truck Display.

As well, a Saturday evening musical Grandstand performance featuring The Good Brothers and Anita Perras will be a part of the weekend festivities.

The Canadian Super Nationals '90 weekend on July 6-8 will be bigger and better than ever. Many of North America's finest street rods, custom cars, and antique cars will meet, a new product midway and several other "all-star" attractions - including Roger Gustin and his Black and Decker Univolt Jet Funny Car.

There also will be an impressive display of truck and tractor pulling, and monster truck racing, with the highlight being the appearance of North America's most famous monster truck - "Bigfoot".

Dale Earnhardt, the richest winner in NASCAR, will strap-in for 400 gruelling laps of racing when the Molson Export 400 returns to Cayuga August 2-5. Earnhardt will be tested by ASA's finest racers as they make their second stop at Cayuga for the 1990 season.

The Player's Ltd./GM Motorsport Series also will be featured as part of the Molson Export 400 weekend. Always a crowd pleaser, the showroom stock Chevrolet IROC-Z Camaros and Pontiac Trans Am Firebirds will provide flag-to-flag excitement for this, the only race this season on an oval track.

An all-star field of Ontario's finest late-model sportsman drivers will compete in the popular McKerlie-Millen Classic which rounds-out the season August 24-26 at Cayuga Speedway. This 55-lap event is a must for most late-model sportsman drivers throughout the province.

Also featured will be the 55-lap CASCAR/General Tire Super Series as well as the D.I.R.T.

Modified Super Series - always a crowd pleaser. Normally run on clay ovals, the D.I.R.T. Modified Super Series will see the best drivers from the U.S. and Canada including NASCAR star Ken Schrader in their 700 horsepower racing machines on the paved oval of Cayuga Speedway.

Cayuga Speedway continued to set the highest standard in auto racing and is clearly in a class of its own in terms of the wide selection of motorsports offered. The ongoing commitment of Molson Breweries to Cayuga Speedway and to motorsport in Ontario continues to provide premier entertainment for fans throughout the province.

Cayuga Speedway is located 30 miles south of Hamilton, off Highway No. 3 at Nelles Corners and weekend camping is available. Tickets may be purchased by calling the Speedway Office at (416)765-5305, or by calling Ticketmaster at (416)872-1111. Tickets are also available race weekends at the gate.
