Ballinafad teams come out with bats swinging

By BETTY SOJKA

Amid high rains, and the splattering cold rain, the Jim Dandies and ReMax both came out with the bats swinging. The first two innings remained close with a high number of runs generated for each team. Cathy Martin banded in a powerful hit into left field for a homerun.

Sharon Marshall and Lisa Longstreet were good for triples. Sharon Marshall also made a magnificent leaping catch to stop the ball that sailed above her head. The game was almost called in the 5th inning due to the weather.

The Jim Dandies enjoyed the support of one lonely spectator, who braved the foul weather conditions to watch the entire game.

When it was all said and done, the Jim Dandies came out with a 19-8 win. The spectator seats very kindly donated by the Hillsburg Lions Club, and built by Bruno Carmelos are a lovely blue, and sit ready for use. Along the 1st base line, there is a lovely lilac tree planted in the memory of Vivian Bremner, by Doug and Bev Smith of Hillsburg.

Last week's U.C.W. meeting saw the ladies meet at the church, and then travel to the home of Mrs. Viola Shortill in Guelph for a meeting. Among the items discussed was a "Meet Your Neighbour Afternoon Tea", scheduled for June 9th. When held previously this get together was thoroughly enjoyed by the many who participated. There will be more details to follow in later reports.

Mrs. Irena Howes was the program coordinator, and keeping

with the Mother's Day theme, told the story of Hannah. The ladies also sang hymns. A nice lunch was served. The ladies meet again in June.

The May Women's Institute meeting was held at the home of Mrs. Ada Kirkwood. The ladies had to respond to the roll call of "Name an article made within 10 miles of home." It was surprising to note the number of different businesses in the general area. Mrs. Betty Koperdraad gave the current events, while Mrs. Helen Brown was the convener of Canadian industries. "A determined man can do more with a rusty wrench than a loafer with all the tools in a machine shop" was the motto read by Mrs. Alma Sinclair. The ladies also have one more meeting in June, before they break for the summer.

Fingerbowl

When serving sticky foods or messy shellfish, don't forget the old-fashioned fingerbowl. Add a bit of lemon juice or leaves of scented geraniums, lemon verbena, one of the mints or other sweet herbs or flowers to the cool water.
