Deanna Guignard reigns as baton twirling queen

Georgetown's Deanna Guignard appears poised and ready to enter the world stage in the recently officially-recognized sport of baton twirling.

Hard on the heels of winning the Junior Women's freestyle gold medal at the Ontario Baton Twirling Championships held recently, Deanna swamped the competition at the Eastern Canadian Baton Twirling Championships held at Toronto's Humber College on the weekend by winning individual gold medals in Solo, Two-Baton and Freestyle.

In other individual competition, Deanna placed second in Medley and third in Solo Dance.

The 14-year-old, a member of the Georgetown-located Kings Baton East competitive baton twirling club, then joined her teammates and was a member of gold medal winning teams in the CBT event and the World Team Competition event.

Another Georgetown member of the Kings Baton East Club, 12-year-old Andrea Chisholm, also joined in the golden harvest as a member of the gold medal-winning

Junior Dance team.

The next hurdle to be conquered on the road to the world stage for the two youthful Georgetown baton twirlers is the Canadian Baton Twirling Championships which will be staged in Montreal the first week of July.

The Canadian International Baton Twirling team will be selected following the Canadian Championships to challenge in the World Baton Twirling Championships which will be held in San Antonio, Texas, in August.

DEANNA GUIGNARD, of Georgetown, returned home triumphant from the Eastern Canada Baton Twirling Championships staged at Toronto's Humber College over the weekend. Deanna collected five gold medals for both individual and team competitions. A member of Georgetown's Kings Batons East competitive baton twirling club (which won two team gold medals) Deanna will compete in Montreal in the early part of July, in the Canadian Baton Twirling Championships, the stepping stone to the World Baton Twirling Championships scheduled for August in San Antonio, Texas. Rebels advance down route to provincial championships

By COLIN GIBSON

Georgetown District High School Rebels track and field athletes are taking dead aim at provincial honors but are finding they have to battle the elements as well as the competition.

The Rebs walked away with the team's second consecutive Halton District championship last week and qualified in 51 events for the Golden Horseshoe Athletic Conference track and field championship, the next step on the all-Ontario route.

The GHAC competition was scheduled for last Thursday at McMaster University in Hamilton but the horrendous weather conditions that prevailed caused some events (the senior boys 3,000 metre event and a number of relay events) to be re-scheduled for yesterday (Tuesday).

Unfortunately, the regional track and field championship (the final qualifier for OFSSA) is scheduled for tomorrow (Thursday) also at McMaster University in Hamilton, so the Rebels training schedule has been thrown somewhat out of kilter.

The Rebels have already qualified in 31 events for the regional championships and GDHS coach, Bevin Clark, is looking for

possibly eight or nine more GDHS athletes to advance from Tuesday's GHAC wrap-up session.

At press time, Tuesday's final GHAC results were not available.

The provincial high school track and field championships will take place June 1 and 2 at Laurentian University in Sudbury.

Only the top four individuals and relay teams will advance from the regional championships to challenge in the all-Ontario meet.

Rebels who have already qualified for the regional championships and their GHAC results include:

Midget Boys

Randy Bond (1) javelin, (3) 80 metre hurdles and (4) in long jump.
