IN THE MATTER OF The Ontario Heritage Act, R.S.O. 1980, Chapter 337, in the matter of the lands and premises at the following location, in the Town of Halton Hills, in the Regional Municipality of Halton:

NOTICE OF PASSAGE OF A BY-LAW

TAKE NOTICE that the Council for the Corporation of the Town of Halton Hills has enacted By-law No. 90-45 to designate the Beaumont Knitting Mill at 86 Main Street, Halton Hills (Glen Williams) on property described as Lot 42 Plan 1555, Town of Halton Hills, in the Regional Municipality of Halton, as being of architectural and historic interest under Part IV of the Ontario Heritage Act.

Reasons for Designation

The property was originally owned by James Leslie, and subsequently by Joseph Tweedle. It contains a structure which was probably built by Richard Hurst shortly after 1872. This "Shaddy Mill" was added to over the years by Samuel Beaumont. The structure is comprised of a three-storey mill building and a one and a half storey building fronting Main Street which straddles the original mill race.

Both buildings are of coursed rubble limestone. The three-storey structure has a four-sided mansard roof with twenty dormers with projected eaves.

The three-storey portion is the oldest remaining mill constructed within the Village of Glen Williams. It has been in continuous use as a knitting mill from the 1870's to 1982, and as such it was a place of for forty to seventy-five Glen Williams residents since the mill was established. The structure stands as an industrial landmark to the north approach of Glen Williams.

DATED at Halton Hills this 9th day of May, 1990.
