Rain plays havoc

Weather: Rain played havoc with fixtures this past week and the fields, such as they are, were saturated. Although Alcott and Moore Parks were readily playable, it is more prudent not to play.

Cedarvale is another story. It does not drain well, in spite of the drainage tiles, without which the situation would in all probability be much worse. The vehicle tire tracks across the centre area do not help, four wheeled and not a tractor grass cutter type either. What manner of idiot is prepared to destroy the playing fields of Georgetown in this fashion?

I, and a few other Mariners, actually witnessed a parent drop off a future champion motorcyclist at Moore Park and the kid proceeded to motor across the field scattering practising players and walkers, with doggies, in his wake.

Upon being spoken to, nicely, the lad took his 'sport' somewhere else, and without any cheek, I may add. Unfortunately, we did not get the licence plate number of the drop off recreational van.

Hugo Sanchez, Real Madrid and Mexico international player extraordinaire, was being interviewed at half-time in a league game in Spain recently. His remarks must have caused offence.

Upon returning to the field for the second half, he received a caution (yellow card) from the referee. A timely reminder to all that offences against the code are not just on the field of play. I well recall a renowned Scots referee, Peter Craigmyle, reporting several Scots international players who were returning from the Auld Enemy match in England on the Sunday after the match. The players were found guilty of dissent, fined, and suspended.

I went down in a heap on Cedarvale after stumbling through one of the many ruts last week and thought I had ruptured an important part of my anatomy. However, all is well, I finished the match. I just mention this happening as I can visualize a serious in-

jury coming from the state of the field. Should the undesirable happen the outcome is almost unthinkable.

Town and Milton bantams (?) put on a display of effort in their 1-1 tie which kept my old limbs on the move. Lots of running, lots of hard tackles and goalmouth incidents, mostly at the 'Town end and played in good spirit held throughout the game. One player was cautioned for a deliberate take out and another for dissent whilst he was remarking to a teammate.

Israel defeats Russia and Egypt hammers the Scots in World Cup exhibition games. The rabbits are no longer walkovers. I like to believe Canada, together with Algeria and Camerouns earlier began a new trend. The also rans are catching up and playing to their strengths and not trying to match their more illustrious opponents strengths. Argentina's and Brazil's losses to Scotland and England respectively show that the mighty have not quite got it right yet. The first round of the cup, round robin style, will probably have the most teams play it tight in order to secure passage into the next round when the game usually opens up, being knockout.

Inter County league games this Wednesday (23rd) are Villa vs. Meteors, Acton, 7 p.m.; Ajax vs. Stingers, Alcott, 8:45 p.m.; and Mariners vs. Tam O'Shanter, Cedarvale, 8:45 p.m. Eagles travel to Crown, Blazers to Laurentians, and United have a bye.

The lacrosse season is well underway in Acton and last Thursday Peanut Division players (ages 5 and 6) held practice scrimmages at the Acton Community Centre. The Mickey Mouse and the Bugs Bunny teams squared off for two games with each posting a victory. The Acton Novice Rams swing into 1990

regular season play tonight, with a game in Guelph. The Acton Novice Rams season home-opener is scheduled for next Wednesday evening, game time 8 p.m. at the Acton Community Centre against arch-rival Orangeville. (Herald photo)

Lacrosse teams gearing up

Acton Rams Novice lacrosse team has seen action in three exhibition games and while the Leathertown squad has yet to taste victory, the team has been competitive and appears just on the verge of success.

Acton was edged 3-1 by Elora, nipped 8-7 by Guelph and bowed 6-4 to Orangeville.

Kyle Artem scored the lone Acton tally against Elora.

A third period lapse cost the Acton Novices the game against Guelph.

Acton led 5-4 after two periods but Guelph surged in the final frame and outscored Acton 4-2 to claim the 8-7 win.

Richard Raju and Kyle Artem each scored twice against Guelph with single counters going to Thomas Wolfer, David Lajeunesse and Shawn Weatherall.

Nathan Crowe collected a pair of assists.

Against Orangeville, the Novice Rams were knocking on the door through two periods (only behind 4-3) but then Orangeville potted two third period markers to just a single reply from Acton to wrap up the 6-4 win.

Richard Raju, Paul Withers, Jason Christopher and David Lajeunesse were the Acton marksmen, with Withers, Lajeunesse, Kyle Artem, Sandy Chapman and Jeff Newman picking up assists.

The Acton Novice Rams start their 1990 regular season tonight (Wednesday) with a game in Guelph.

Tomorrow (Thursday), the team journeys to Orangeville.

The Rams season home-opener is scheduled for next Wednesday (May 30) with Orangeville providing the opposition. Game time is 8 p.m. at the Acton Community Centre.

In a Tyke lacrosse exhibition game played in Guelph, May 16, Guelph eked out a 2-1 win over Acton.

Guelph led 2-0 after the second period, then held on for the win.

Brandon Valente, on a pass from Eddie Hess, scored the Acton goal.

In a pair of Peanut lacrosse games, the Mickey Mouse team (Orange) and the Bugs Bunny team (Blue) split wins.

The Bugs Bunny outfit squeezed past the Mickey Mouse team, 3-2, with James Duff, Katie Duff and Michael Berry supplying the goals for the winners.

Steve Atkinson and Matt Lyons scored for the Mickey Mousers.

In the other game, Steve Atkin-

son scored four times to pace his Mickey Mouse mates to a 7-6 victory.

Corey Nadon and Michael McDonald also scored for the winners.

The other Mickey Mouse goal-scorer's name was not available.

For the Bugs Bunny crew, Michael Berry scored three times, with singles going to James Duff, Trevor Hall and Katie Duff.

Pick of the Week

Kaspers by 24 over the Oldtimers.

With Mitch LeBlanc at the helm and Louis DePally as one of the premier players in the GFFL, this year the Oldtimers will be hard pressed to catch these friendly ghosts.

Dawgs (a.k.a. Corrigan) will chew the rivets out of P.W.'s sinking ship this week. The only way for P.W. to avoid losing by at least 20 will be for both teams to default the 8:45 game.

M and M will pay little heed to the fact that P.W. is the home team. M and M has had two top teams in their first 2 games and will have benefitted greatly from these two losses. With P.W. playing for the second time and with an hour off, no doubt the Welders will be waterlogged by 11:45.

Longhorns have always had good games with the Glen, especially good because they come away with 2 points. 10 points may seem like a

lot, however in flag football this spread indicates a reasonably close game.

K.K. should be 2-0 but failed to put the proper amount of nails in the Horns coffin in week one. Meznic Electric are in for a shock if they think they can repeat last year's success by flip-flopping Q.B.'s. Graced with a fine bunch of receivers, they still need someone to take charge and establish themselves as a full-time pivot.
