PLAN NO. 90-2520
LOFT OVERLOOKS EXPANSIVE FAMILY ROOM

first level 1521 sq.ft. second level 1062 sq.ft.

A two-storey foyer, with multipaned window wall and planter shelves over, welcomes guests to this 2,583 square foot home. A coffered ceiling dining room and vaulted living room flank the foyer. A quiet den, with private powder room, can double as a guest room or extra bedroom. The gourmet kitchen offering a centre cooking island and spacious work counters, serves the open plan breakfast room and dining room. Off the kitchen is a large laundry room which has built-in counters for folding clothes and space for a sewing centre. The expansive family room, with fireplace and glass access to the garden patio, is open to a railed loft above.

The loft, which is partially railed, is ideal for a computer station, library or media centre. A circle-top window accentuates the master bedroom's vaulted ceiling. The master bedroom boasts a walk-in closet and ensuite with twin vanity, whirlpool spa and shower. The two additional bedrooms share a three-piece main bath.
