Lightning strikes again

Who says lightning never strikes twice? The last four contests between Mobile Sound System and Ferg's Flicks have ended in a tie. This contest was no different as these teams battled to a 6-6 stalemate. Arnie's Body Shop grinded the West Insurance squad to a halt as they grabbed their first win of the season with a 7-0 victory. The George and Dragon coasted to an easy 2 pt. victory as the JV Jets stayed at the Big Chill.

Yankees rule the roost

Unlike their major league counterparts, the Georgetown Baseball Association House League Peeewe Division Yankees are off to a roaring start.

In two recent outings, Yankees humbled the Pirates 13-0 and then similarly subdued the A's 17-4.

In the 13-0 blanking of the Pirates, needless to say, the whole team was red-hot at the plate.

Leading the way was Matt Borg with three base hits while David O'Hagan had two base hits.

Ryan Taylor and Matt Borg made fine catches in the field, while catcher Chris Corney nailed a runner trying to steal.

Blair Jackson had a solid outing on the mound for the winners.

Against the outgunned A's, David Welburn had two hits and collected three RBI's. Christian Bays locked out three hits.

Taylor made two outstanding plays at first base, Chris Corney as catcher had two tag-outs and Kyle Springer pitched two strong innings allowing only one hit.

Arnie's tested a new quarterback on the weekend to aid their lacklustre offence. Caroline McMillan could be the future of this Arnie's squad as she picked through West Insurance with great precision.

Carol Kovacevic proved to be a forgotten weapon for both the offence and the defence as she scored a TD and picked up two interceptions for Arnie's. The true test will be on Sunday as Arnie's goes head to head with the George and Dragon.

In the other match up of the day, Mobile Sound System maintained their undefeated record in the GLFFL. Ferg's Flicks looked to be a tough contender as newcomer Lisa Statham ran for 6 points. Later in the game, Statham would sustain a year ending knee injury.

Ferg's looks to be plagued by injuries and undermanning this year. Mobile Sound System picked off a pass at the hands of a Mobile

defender. Sandy Brownridge danced her way through Ferg's defence for the only score. With only one play left in the game Monica Mastaluz kicked a field goal which was blocked by Mobile Sound System.

This Sunday JV Jets and Burns start things off at 8:45 followed by Arnie's vs George and Dragon and West Insurance goes to war with Ferg's Flicks at 11:15.

Organizations join for fundraiser

We need your help. The Blue Fins Swim Team, Cheri Lindsay's Dance Studio and Work That Body Fitness Programs Inc. are organizing a fundraiser for Harmony Bull. Harmony is steadily progressing but has a very long road ahead of her. As the family did not have extended medical benefits there are going to be some bills coming in that need to be covered. Gas money to get Mr. Bull in and out of Toronto would help and when Harmony is ready money for tutoring will be needed. There will be many other expenses as time goes on and we need your help in raising funds.

We have organized a picnic to be held at Cedarvale Park on July 1, 1990 from 3:00 to 7:00 p.m. We have already solicited many companies for food donations etc. If you haven't been asked but would like to donate or help in any way please contact me at 877-0771. Tickets are \$5.00 for adults and \$3.00 for children under 12. Tickets will be available from members of the Blue Fins Swim Team and at Work That Body, Office Magic and The Herald.

This event will only be a success with your support so please help out by purchasing tickets. Let's show Harmony and her father Art what a great community Halton Hills is.
