Special Needs Facilitator available

Cruisin' into Summer 1990 is this year's theme for the Halton Hills Recreation and Parks Department and we hope that no one will be excluded from participating in our programs because of a mental or physical disability. A Special Needs Facilitator will work with all children, parents and teachers to ensure that placement at a program will best meet all needs and interests. We will require a minimum of one week's notice prior to the start of your program choice.

There are many camp choices offered that will entice any child and provide him/her with some good quality time experiences. Choose from one of the following.
