# Men's Flag Football Longhorns still rule the range

By COLIN GIBSON  
Herald Sports Editor

Longhorns remain unchallenged atop the league standings, while the Oldtimers notched their first points of the season after games last Sunday at Georgetown District High School main field in the Georgetown Men's Flag Football League.

Longhorns made 'home on the range' an uncomfortable place to visit for the challenging Dawgs as the defending league champions handled the - at times - mangy mutts, 25-15.

The Oldtimers surprised M and M 21-14; Meznic Electric unplugged M and M 34-19; Karry Kitchens handled a disorganized Plus Welding squad 20-8 and the Glen nipped a gutsy Kaspers crew 15-14.

LONGHORNS 25, DAWGS 15

This game was billed as a battle for first place, as going into the contest the Longhorns were perched atop the league standings a mere two points in front of the Dawgs.

What took place should stand the Dawgs in good stead, if they hope to challenge for league supremacy, as the more experienced Longhorns stuck to their game plan, displayed discipline and watched as the Dawgs self-destructed.

At times playing like a 'pack of hounds', the Dawgs wasted more time barking at game officials - four unsportsmanlike penalties - and taking bites out of their own teammates than playing the exciting brand of football that the team is capable of playing.

Longhorns took advantage of the disarray in the Dawgs pack to score on their opening drive and never looked back.

Longhorns led 15-7 at the half and extended the lead to 18-7 before the Dawgs hit the scoresheet again.

The tough 'Horns defence stood the test against the unruly Dawgs to guarantee the satisfying win.

Always-dangerous Bob Davey had two touchdowns for the winners, Dave Paterson kicked a field goal, three converts and a single and Wayne Doell scored a major.

For the Dawgs, Alain Pelland and Brad Ferguson scored touchdowns while Frank Bruno kicked a single.

OLDTIMERS 21, M AND M 14

The M and M team always appears better than the opposition on paper, but this doesn't seem to translate into on-field performance and such was the case again as the Oldtimers posted their first win of the season.

The return of John Viera to the Oldtimers lineup has put new spark into the team and it can be safely stated that he made the difference in this game, scoring a

touchdown and providing solid defensive leadership.

The Oldtimers led 14-7 at the half en route to the 21-14 win.

Brian Beaumont and Bob Dean scored the other Oldtimers' touchdowns while Martin Hardcastle kicked a convert.

For M and M, Mike McCarthy and Mike Hurley scored the majors with Richard Garden kicking two converts.

MEZNIC ELECTRIC 34,

MANDM 19

M and M fared little better in their second game of the day and an apparently rejuvenated and spirited Meznic Electric showed little sympathy in posting the comfortable win.

Meznic held a slim 17-14 halftime lead then moved their game up a notch while M and M was left grasping at live wires.

Gary Lockwood had two touchdowns for Meznic, Jeff Lockwood kicked two field goals and a convert, Randy Lunn scored a touchdown while Brian Davis scored a touchdown and added a two-point convert.

KARRY KITCHENS 20,

PLUS WELDING 8

For awhile in the game, it appeared to merely be a matter of both teams willing to offer up the two points just to get off the field as Karry Kitchens held a weak 7-1 lead at the half.

Doug Pembleton rallied the troops for a second half surge while the Welders were still looking for the proper tools.

Neil Olmstead scored two Karry Kitchens touchdowns, Fraser Hansen counted a major while Doug Pembleton kicked two converts.

For Plus Welding, Marcus Noel scored a touchdown while the losers' player of the game, Kevin Gillespie - who played a gutsy game - kicked two converts.

GLEN 15, KASPERS 14

Both teams sputtered offensively, but Glen quarterback Howie 'Snake' Jacobs was able to settle his team down to notch the narrow win.

Regular Kaspers quarterback Mitch LeBlanc, was absent due to work commitments, so the pivot position was taken over by Stephen Roy.

Under the circumstances, he did an admirable job, but his services as wide receiver were lost to the team and this could have been the difference in the contest.

Kaspers led 7-0 at the half but faltered when it counted most late in the game.

Shifty Greg 'Pelican' Lawr scored two touchdowns and snared the game winning two-point convert, while Sean McQuarrie kicked a convert.

Simon Golding had a touchdown and a two-point convert for Kaspers with Wayne Morrow also counting a major.
