**IN MEMORIAM**

**Harold (Hack) Thompson**, June 24, 1988.

As the second year rolls around Since you left us here I can only say the memories Are still fresh and clear. I miss you more each day But each day brings a smile Just knowing you left such a mark on Life's long road, mile after mile.

Each thought of you brings such warmth Inside me, it's hard to explain I can only guess knowing you and your love Has helped to ease the pain.

Remembered always by daughter Barb and grandchildren Christine, Norman, Stephen and Matthew.

**MARKO, Michael** - In loving memory of my dad who passed away June 24, 1988.

You never said good-bye to me, And perhaps it's just as well, For I never could have said good-bye To you I loved so well. To some you may be forgotten, To others part of the past, But to me who loved and lost you Your memories will always last.

Remembered and loved always, Pat.

**How To Write A Good Classified Ad**

1. Start your ad with the merchandise you are selling. This makes it easier for the reader to locate your advertisement.
2. Always include the price of the item you are selling. Many readers in Classified will not respond to an ad which does not include a price.
3. Place yourself in the readers position. Ask what you would like to know about the merchandise you are selling. Include information such as brand name, colours and other specific descriptions in your ad and you will receive a quicker response from the reader.
