Celebrate a 'country' Canada

By BETTY SOJKA

If you are not going away this upcoming long weekend, then, how about celebrating Canada's birthday at an 'Old Time Country Dance' at the Ballinafad Community Centre. Saturday, June 30 is the date, and you can start clicking your heels at 9:00 p.m. sharp. D.J. George is providing the music, and can be counted on to call a few square dances. Tickets at a cost of \$7.50 per person, can be purchased at the Ballinafad General Store. Admission price includes a light meal, snacks, spot and door prizes.

The following weekend, the community centre hall board is having a 'Garden Party' on the Sunday. Bring a salad to help form the longest salad bar. There will be a number of activities to amuse adults and children alike.

The Jim Dandies came up with a 10-6 win over Double Trouble last Tuesday evening. An amazing game was played by Sandra Pro-

use at shortstop. A total of 11 outs were credited to her, with three being all in one inning. Great plays were also made by Carol Ann See at second base. The Jim Dandies returned a couple evenings later, only to lose against the Marauders by 2 runs, despite efforts such as Cindy See's double to knock in a run. Kathleen Topolsek made a few terrific hard to reach catches at third.

On Tuesday, June 19, the U.C.W. held their last meeting as they are breaking for the summer. The ladies had a very interesting guest speaker in Mr. McFarlane who is from the Leprosy Mission of Canada. Much was learned. Although only a small number of cases in Canada, there are many world wide. Lots of help was required for this great need. The ladies learned that medication could now cure the disease in many cases.

The United Church congregation picnic was held this past Sunday at the French and Mitchell homes. A

potluck affair, this picnic was also attended by the children's Sunday School.

There have been two additions to the park this week. A beautiful Norway Maple has been planted in the children's playground in the memory of little Matthew Kirton. Donated by Hank and Marlene Burnett, the tree stands tall with its branches reaching upward towards the sky. It is a very interesting trees, and a lovely memorial for Matthew was taken so suddenly at three months. An engraved granite stone has been laid at the base of the lilac tree donated by Doug and Bev Smith for the memory of Vivian Bremner. This tree also a beauty, sits along the first base line.

Watch for the monthly newsletter that was mailed this week.
