One of Canada's

Top Ten Trust Companies

The Municipal Savings & Loan Corporation has been ranked one of Canada's top ten trust companies by The Financial Post in their annual survey of Canada's leading corporations.

Ranking the trust company group by return on average assets, The Financial Post placed The Municipal third with an R.O.A. of 1.09 per cent.

"This is significant because it is the common measurement of performance in the financial industry," according to Paul McFeeters, Chief Financial Officer and Chief Operating Officer, Municipal Financial Corporation.

"Another common measurement of

performance is return on equity, and Municipal has exceeded 20 per cent R.O.E. for each of the last four years. This would also put the company near the top of the financial industry," says Mr. McFeeters.
