The Countrysi  
With Horses -

**Take charge with  
our biggest  
mid-size performer.**

Our 86-horsepower Model 7710 has big mid-sized power. The 268 cu. in. turbocharged diesel engine puts acres behind you fast. And it's fuel-efficient, too. Add these options and really take charge.

- 16x8 synchromesh Dual Power transmission that lets you shift on the go
- Front-wheel assist gives you more traction and better control.
- Whisper-Quiet cab for a great place to work

**Get 52 horse-  
power in a  
smaller package.**

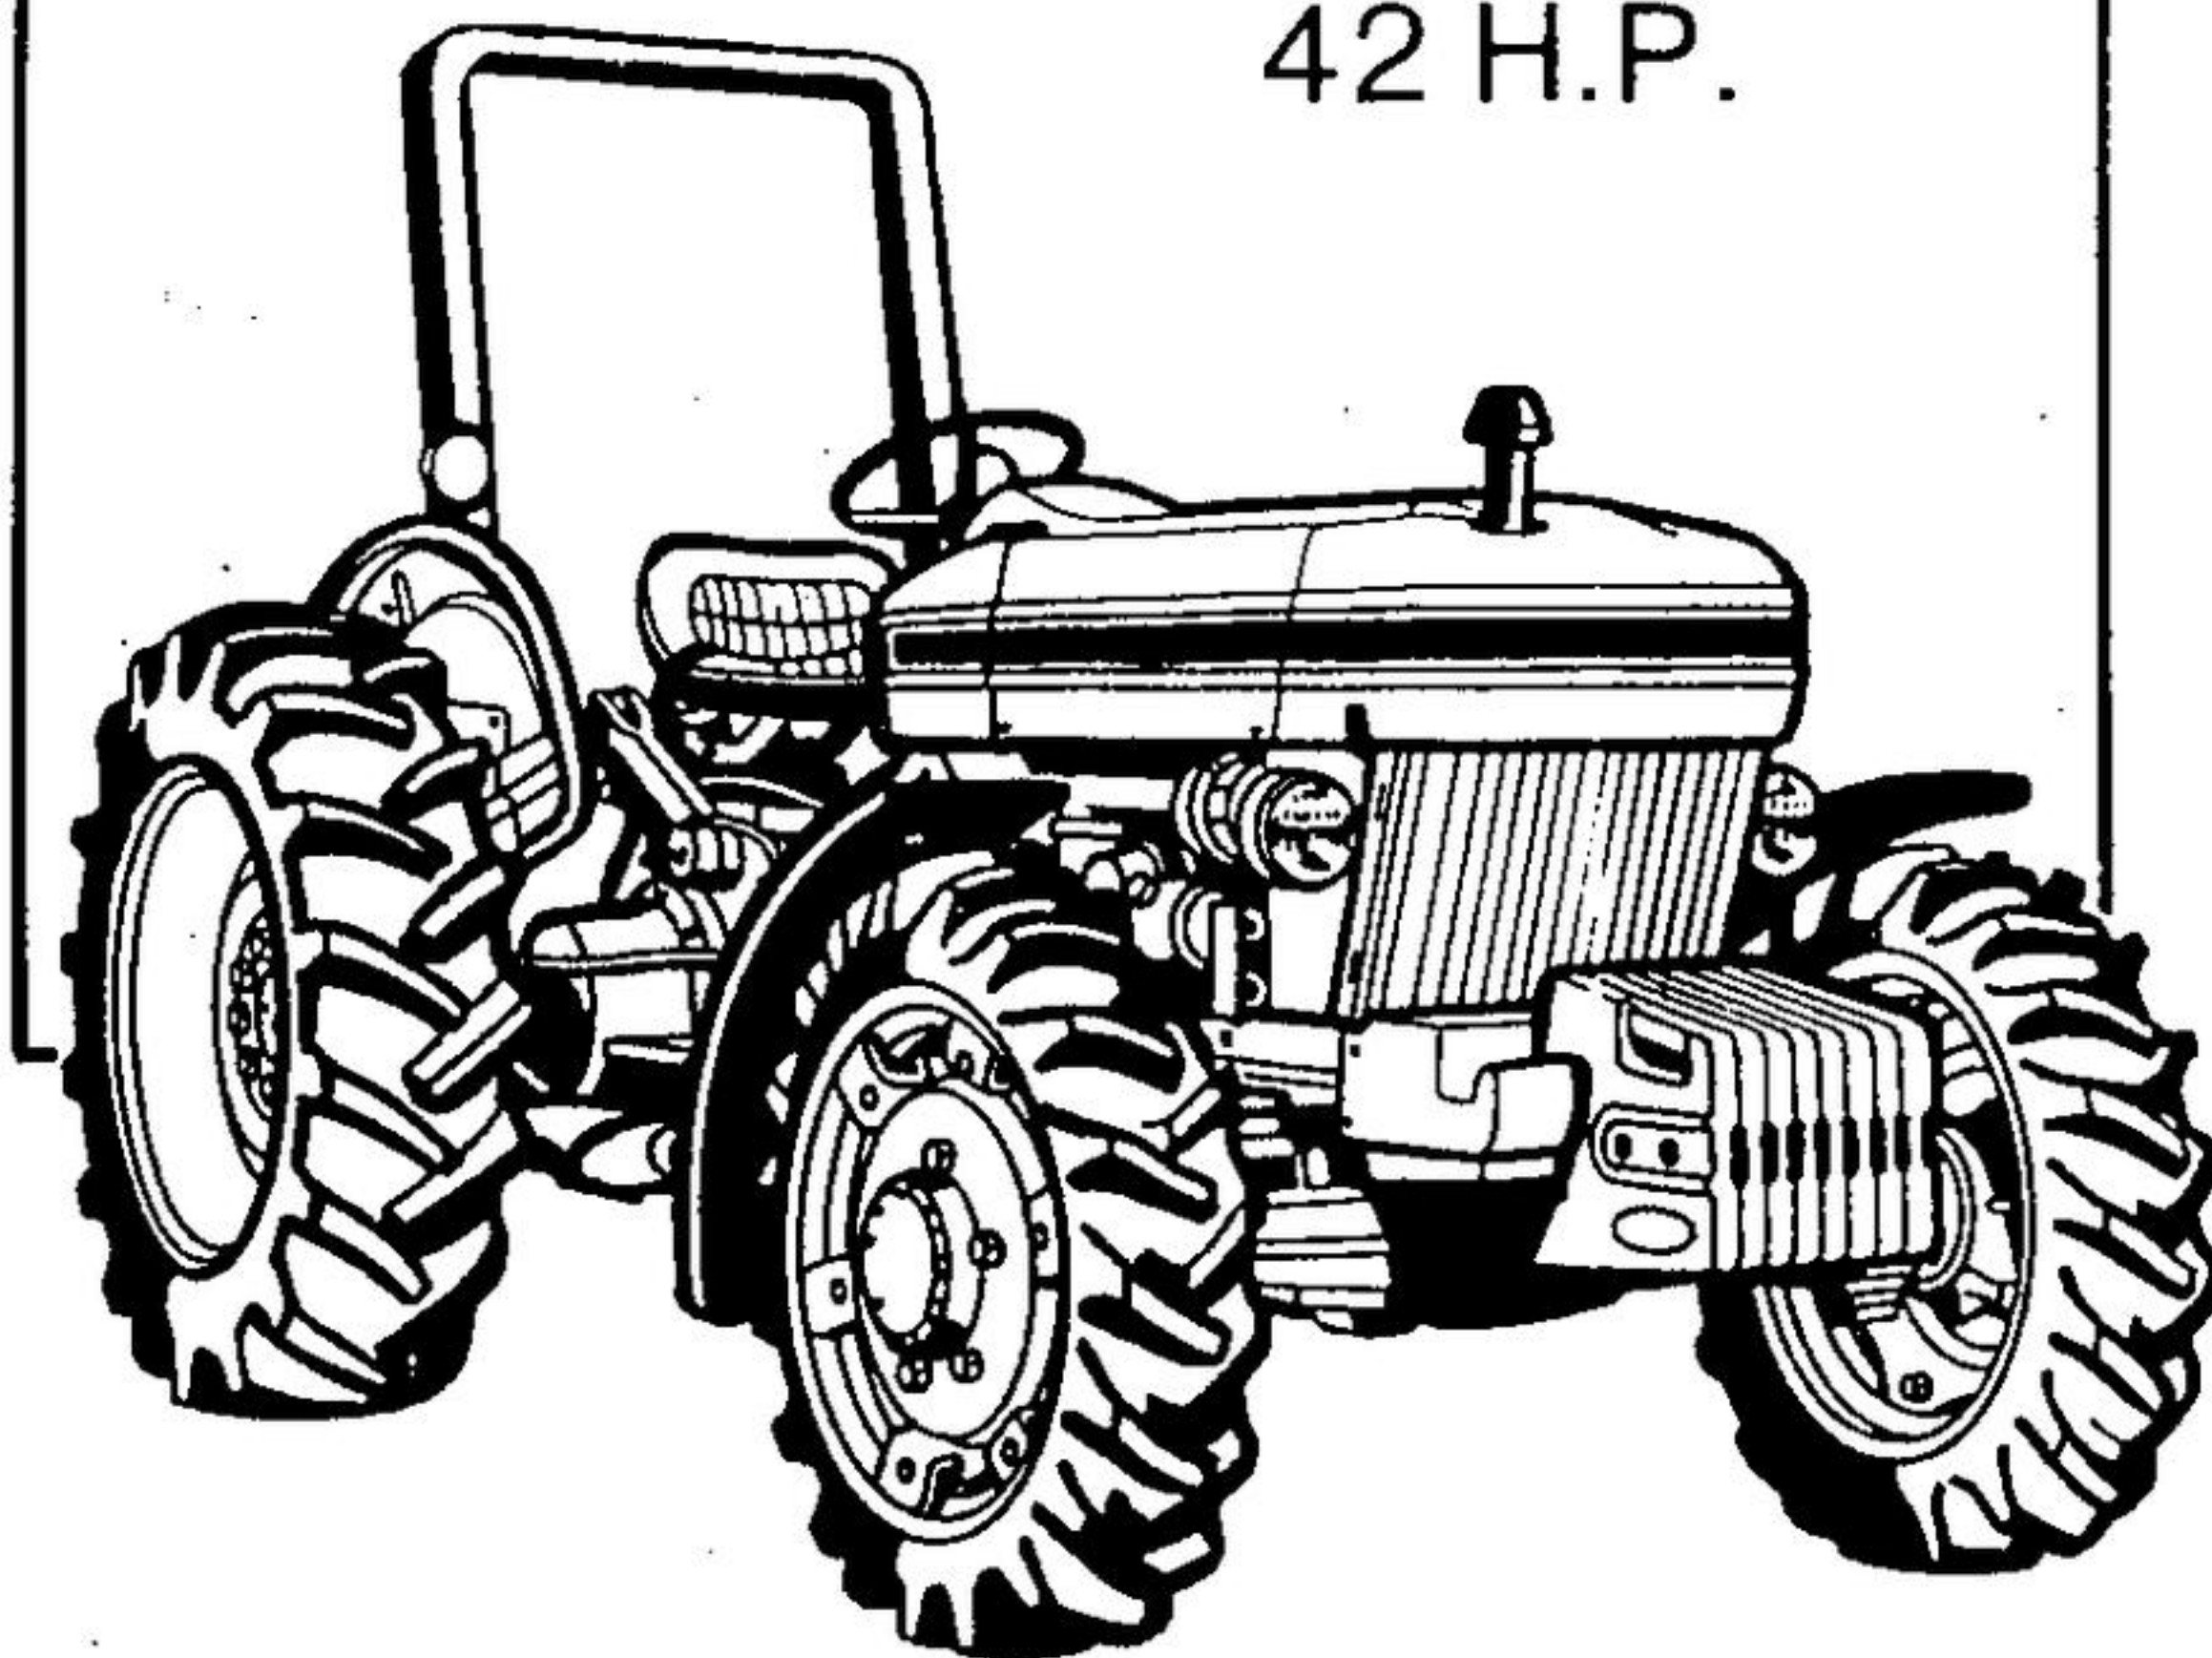

You get Super Utility from the Ford 4610SU. The 52-hp, 201-cu. in. diesel engine and precise hydraulics give you big power. And the compact dimensions and tight turning radius give you maneuverability, too. Plus you get:

- 8x2 dual range or 8x4 synchromesh transmission
- Independent PTO, double-reduction final drive and differential lock
- Optional front wheel assist for extra traction
