FREE COMPUTERIZED WATER ANALYSIS

Stately brick detailing, bold multipaned windows and a copper topped bay accentuate the exterior of this three bedroom home. The grand two storey foyer spills to the living and dining rooms. Lofty vaulted ceilings add voluminous space to these areas. The informal area of this home revolves around a kitchen breakfast room and family room. The gourmet kitchen offers an efficient centre cooking island, ample counter work area and a sunny breakfast room. A main floor den positioned away from the noisy traffic area can double as an office or guest room. A laundry/mudroom and powder room complete the main level. The angle staircase ascends to a railed gallery upstairs. The large master bedroom features a lavish ensuite with his and hers walk-in closets, double vanity, raised whirlpool spa and shower. The two additional bedrooms, one with a front view bay window, share a three-piece main bathroom with soaking tub.

The finished floor area of this family home is 2,494 square feet.

Before You Buy Your Next Home, Make A Modest Investment, And Get Complete Peace Of Mind.

Buying a home is probably the biggest investment you will make in a lifetime. A complete home inspection covers everything from the basement to the roof, including heating, plumbing, wiring, etc. It can save you a lot of grief and thousands of dollars. A complete written report is included with all inspections. A home inspection can make a difficult decision that much simpler and provide you with expert information that you need immediately.

**WE ALSO OFFER:**

- New Home Inspections before closing
- Mediation service between contractors and home owner
- On-Site management and consulting
- Documentation & photographs for legal cases
- Inspection and progress reports on renovation work

PROTECT YOUR INVESTMENT... INSPECT BEFORE YOU PURCHASE!
