**HOME OF THE WEEK**

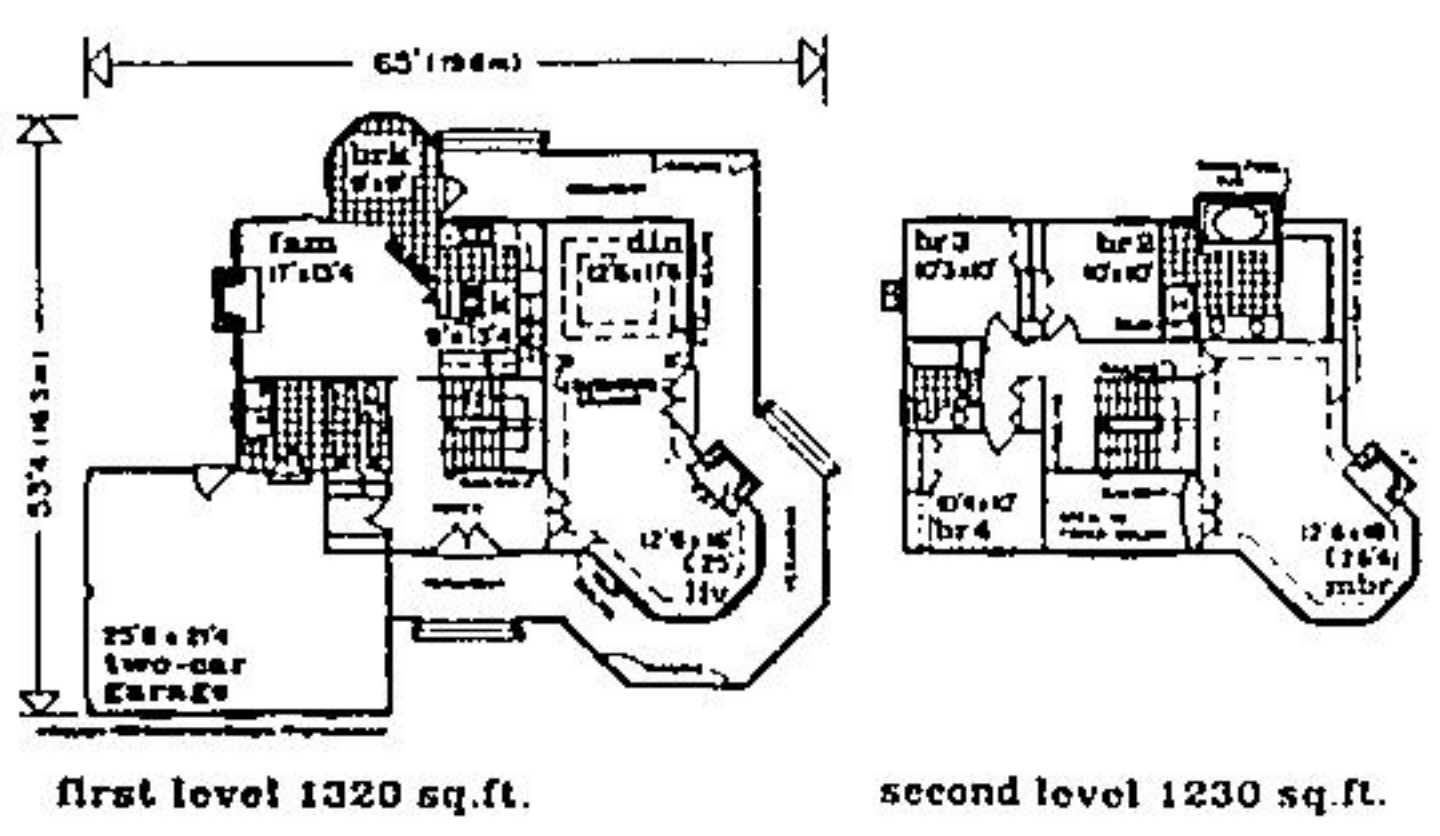

**BLEND OF TRADITION AND PRACTICALITY**

Traditional four-bedroom farmhouse offers an abundance of modern amenities. The two-storey foyer, with wide staircase, is bathed in natural light. An open plan living and dining room is visually separated by decorative columns and individual tray ceilings. French doors offer a central access to the wraparound verandah. The kitchen, with cook-top island, serves the sunny breakfast bay. A brick fireplace warms the spacious family room.

The elegant master suite boasts a tray ceiling, sitting area with a fireplace, and a balcony overlooking the entry. The walk-in closet leads to an ensuite, with a shower, double vanity and raised whirlpool spa. Of the three remaining bedrooms, the front room could easily double as an office, with its built-in desk.

The finished floor area totals 2,559 square feet while a full basement offers room for future development.
