

Women's Institute announces scholarship winners

Halton District Women's Institute is pleased to announce the 1990 winners of the Dr. Ethel Chapman Scholarship and the District Bursary.

The scholarship, which is worth \$300, has been awarded to Sandi Brander, daughter of Mr. and Mrs. Don Brander, R.R. 1, Norval. Sandi has completed over 20 Lifestyle 4H projects, has been a youth leader for 2 clubs, won the top member award for the conserva-

tion club twice and is presently vice-president of the member's council.

At Milton District High School she was a member of the basketball and soccer teams, participated in the prefect organization and spent many hours as part of the concert band, jazz band and sax quartet.

In the community she has been a basketball coach, helped at the

children's environmental festival in Hamilton, taught Sunday school at Hillcrest Church, tutored a Grade 5 student while working part-time. Right now she is the Halton Dairy Princess and will be competing at the Canadian National Exhibition this month.

In the fall Sandi will be attending the University of Guelph to attain her Bachelor of Arts degree.

Lydia Marie Hollis, daughter of Mr. and Mrs. Ralph Hollis, R.R. 1,

Limehouse, is the winner of the Halton District Bursary valued at \$100. She attended the Acton District High School where she was an active member of the vocal group and has acted in the school's major drama productions these past 2 seasons.

She has taken piano lessons for several years and plays the mandolin for enjoyment. In sports she has played baseball and Icestock and enjoys skiing and cycling.

As a volunteer she was a counsellor at the Halton Art Camp in 1989 and this year is working as a summer leader for the Parks and Recreation Department. This fall Lydia will be going to Wilfrid Laurier University to obtain an Honours Degree in Psychology.

The Halton Women's Institute congratulates these two girls and wishes them well in their future studies.
