A covered railed verandah and decorative wood-work adorns this four-bedroom family home. A dormer window brightens the vaulted foyer which spills to the living and dining rooms. The spaciousness throughout the living room is enhanced by the open staircase and bay window. The informal area of the home revolves around the country kitchen and family room. The kitchen, with centre cooking island and laundry room, adjoins the sunny breakfast bay and family room. The family room features a masonry fireplace and sliding glass door to garden patio.

The staircase winds to a railed gallery which views the foyer below. The master bedroom boasts a large walk-in closet and ensuite with twin vanity, whirlpool spa and shower. The three additional bedrooms, each with spacious wall closets, share a main bathroom with soaking tub.

The finished floor area of this traditional family home is 1,927 square feet.
