Students eligible for proxy vote

Students will be eligible to vote by proxy in Ontario's 35th provincial general election on September 6, 1990 as long as they are qualified electors and are duly registered at a recognized educational institution.

Proxy voting allows an elector to authorize another qualified elector in the same electoral district to vote on his or her behalf. A qualified elector may not act as proxy for more than two electors.

If voting by proxy or in person it is the responsibility of students to ensure that their names are on the list of electors for the polling division where they ordinarily reside.

Proxy application forms may be obtained from any Returning Officer throughout the Province. Once completed, the form must be presented to the Returning Officer in the electoral district where the student resides.

Upon receipt of the proxy application form, the Returning Officer may then issue a certificate to the proxy voter who will, in turn, present it at the polling place to exchange it for a ballot.

Persons eligible to vote in this election are those who, on election day, are 18 years of age or older, a Canadian citizen, and have resided in Ontario for the six month period prior to election day, and whose names are on the list of electors or on a certificate to vote in the electoral district where they reside.

Voters' list revisions

Voters' list revisions for Ontario's 35th provincial general election will take place between August 16 and September 5. The election will be held on September 6, 1990.

Qualified electors who were not enumerated may have their names added during the revision period up to and including the day preceding election day. Additions, corrections and deletions from the preliminary lists of electors, prepared following the door to door enumeration, may also be made at this time.

Urban electors must have their names on the list of electors or on a certificate to vote. The Returning Officer or a revision assistant will provide such a certificate to people added to the list following the enumeration period. These electors must present their certificate at their polling place to receive a ballot and vote.

On election day, rural electors not on the list may still vote, provided they take an oath and are accompanied by an elector who is on the list in that same polling division and who will vouch for them.

Electors whose names are not on the list should contact the Returning Officer in their electoral district. Revisions to the list will be reviewed by the Returning Officer during posted office hours.

The office of the Returning Officer can be easily identified through the display of the Elections Ontario sign.

Elections Ontario advertisements, in daily and weekly newspapers throughout the province, will provide numbers to call for election information. Directory Assistance will also be able to provide the telephone number of the returning office, when asked for Elections Ontario and the name of the electoral district.

Persons eligible to vote in this election must be at least 18 years of age on election day, a Canadian citizen at the time of voting, and a resident of Ontario for the six month period prior to election day. Their names must be on the list of electors or on a certificate to vote for the electoral district where they reside.

Police seeking robbery thugs

Three men wearing nylon stocking masks, one carrying a crowbar, robbed a Synergy Gas Bar at 1537 Trafalgar Road in Oakville Aug. 11 at about 3 a.m., Halton Regional Police say.

The three men entered the gas bar and demanded money from the attendant. The attendant was assaulted with the crowbar, police say, and an undisclosed amount of money was taken from the gas bar. The attendant did not require medical attention.

Police say the three men fled the area on foot. The first suspect is described as a white male 5'5", 130 pounds, blue eyes. The other two males were both white males, however nylon masks prevented the attendant from obtaining further descriptions.

Police are investigating the robbery.
