

Local Legion welcomes US brothers

On Friday, Aug. 17, chairman N. Ward and Plymouth committee members welcomed American Legion Post 40 members from Plymouth, Massachusetts, as they arrived in Georgetown.

Piper Alex McArthur piped our guests into the Legion to enjoy a Friendship Dinner held that evening. On behalf of Branch 120, President Hank Russell welcomed Post 40 Commander Elect Dave Peterson, Ed Norcott, a Past Post Commander, a Past District Commander, a Past Department Commander and at present State Treasurer. Ron Elliott, Royal Canadian Legion Deputy District Commander, Past President Branch 120 Harry Brown and wife Joan, Mayor Russ Miller and wife Jerry to the evenings festivities.

During the evening artist Bob Casey on behalf of the Post presented to Branch 120 a painting of a Sopwith Camel in a dog fight with a Fokker D7 dedicated to V.C. Winner William George Barker, a match to a previous painting honoring V.C. Winner William (Billy) Bishop. Both paintings are proudly displayed in the Legion Lounge.

On Saturday at the Warrior's Day Parade in Toronto Ritchie Holbrook Sgt. of the Color Guard Post 40 and Harry Bottoms Sgt-at-Arms of Branch 120 and Ladies Auxiliary Color Parties commanded their respective Parties to step off briskly to the skirl of the pipes.

The Post Color Guard have earned a considerable reputation representing their Post and coun-

try in marching competitions having won the following Warrior's Day Awards 1982 through 1990; three first place and two second place American and Visiting Units.

try in marching competitions having won the following Warrior's Day Awards 1982 through 1990; three first place and two second place American and Visiting Units.

On Sunday morning after a continental breakfast, we wished our friends from Plymouth Godspeed and a safe journey home to Plymouth as they boarded the bus. Thanks go to all our members and

friends who helped to make this weekend a success.

Sick Chairman's Report - Chuck Tutty, 877-0618 - Resumed the sick visitation this week, bringing best wishes for a speedy recovery from all comrades to Victor Tomkinson in Credit Valley Hospital. Talked to him for a while, through the open top of his 1990, hand-powered vehicle and according to his doctor, the lease will not be renewed. So its up on shanks mare Vic, to build up the strength in those muscles.

The number of visitors in Buster Hales suite at the Peel Memorial Plaza, convinced me there is more in his I.V. than he is admitting and

Spinning your wheels

Susan Norman is seen here dressed in the clothes of 1890 and spinning wool the way it was done during the pioneer days. Ms. Norman was taking part in the Ontario Agricultural Museum Family Corn Festival in Milton Sunday. The exhibition of spinning wool was only one of many, including grain thrashing and shingle making. (Herald photo)
