# Fair to host horse spectacle

By KENDA NURSE  
Herald Special

On Sept. 9, the Georgetown Fair will host one of the greatest spectacles involved in Heavy Horse showing - the eight horse hitch.

At approximately 1 p.m. this event will lead off the inter-breed hitch classes at the 1990 fair.

The eight horse hitch is one that can usually be found only at major competitions of the year, such as The Royal Winter Fair in Toronto and the Great Lakes International in Detroit, Michigan. The fact that Georgetown Fair will be presenting this hitch for public viewing is one of true magnitude.

In the recent past, the Georgetown Heavy Horse show has attracted such well-known exhibitors as the David Carson Clydesdale Hitch of Listowel, Ont., and the Hewson Clydesdale Hitch

of Breton, Ont.

Each of the hitches travels numerous miles a year to attend fairs throughout North America. Pounding the track and riding that many miles takes its toll on feet and legs - a demanding life for the

horses and for the personnel who accompany them. It is group of accomplished teamsters that feature the Hewson and Carson Clydesdales.
