

"A Fair To Remember"

Georgetown Fair:

We've Got It All

Fun, excitement and entertainment await you at the 1990 edition of the Georgetown Fair.

That's right, the three-day extravaganza at the Fairgrounds runs Sept. 7th, 8th, 9th, and promises to be "A FAIR TO REMEMBER." So if you haven't been to the Fair, come on out and enjoy the fun. For \$95.00 for a weekend Family Pass you can't go wrong.

The big attraction at this year's Fair are the ever-famous "CANADIAN TIRE STUNT DRIVERS." The stunt driving team has thrilled audiences all over North America. They are scheduled to START THEIR ENGINES at 3:30 p.m. on Saturday, Sept. 8th.

The admission price to the Fair is \$3.00 for adults and \$2.00 for children age 7 to 16. Weekend passes are still the BEST BUY at \$9.50 for a family and \$4.50 for a single weekend pass.

Friday night is Youth Night with the Much Music Video Dance scheduled to start at dusk. Saturday, Family Day, includes the Fair parade beginning at noon at Holy Cross Church and proceeding to the Fairgrounds. The Kinsmen Girl's Softball playoffs run throughout the day and there will be two local bands performing during the afternoon. The first, The Glen Band, is a local group who has performed many times at Canada Day in the Glen and Rebel Hill for the Country and Western in all of us.

Sunday we will start the day with a first ever at the Fair, a Demonstration Eight Horse Hitch along with the return of the popular Farm Olympics, so get ready for a not-too-serious but fun-filled competition which promises to be fun for all.

This year's Fair will cost close to \$50,000.00 to pro-

duce and promises to be the best yet.

Other new and regular attractions at the fair are:

- Conklin Show will return with the addition of bumper cars.

- Wilbur the Purple Pig will once again reign supreme at "Old MacDonalds Farm" and will be accompanied by a tiger, leopard and a Python.

- Amateur Farmers will compete at the Farm Olympics on Sunday and the fair organizers are looking for local groups to join in the fun and compete for prize money at the fair.

- Agricultural Shows include the 4H Beef and Dairy Show, Western Horse Show, Paint Horse Show, and the Light and Heavy Horse Show featuring the magnificent Clydesdale and Belgian Horses. Last years Western show had competitors from as far away as Sudbury. The Heavy Horse Show, with some of the horses in the competition weighing in at over a tonne, will host competitors from Quebec and Northern Ontario. Last year's Heavy Horse Show had over 70 entries and was the biggest ever.

One of the busiest spots the whole fair weekend is always in the Homecrafts Building.

A vast assortment of local home baking, jams, pickles and canned fruit as well as hand-crafted knitting and sewing items are beautifully displayed for viewing and judging.

The junior exhibit gives young people a chance to exhibit with pride their artwork, baking, flower arranging and sewing.

A leisurely stroll through the building assures the Fairgoer that Georgetown still has that old-fashioned community spirit.
