## The Herald Is Proud To Announce The Addition Of A New Ford Truck To Our Growing Circulation Force.

Halton Hills has been coming home to the Herald since 1866! Our readers have always known that the Herald is their "Hometown Newspaper", with a history of providing the community with the latest local news, views and insight into the events that affect their daily lives. In the spirit of

providing our community with the "finest coverage possible", our purchase of a new vehicle ensures that the news is delivered to our carrier and rural delivery force, and ultimately your home as quickly and efficiently as possible.
