Impaired driving

Halton Regional police have charge a 21-year-old Georgetown man with impaired driving and consuming alcohol more than the legal amount after a Peel Regional police officer alerted local police. The Peel officer, while off duty, observed a vehicle driving erratically Friday night about 10:30 p.m. on Shelley Street. She stopped and held the driver until Halton uniformed officers arrived. The man is scheduled to appear in Milton Provincial Court on Oct. 15.

Becker's break-in

Approximately \$4,900 in cash and cigarettes were stolen from the Becker's store on Delrex Boulevard between 1 a.m. and 5 a.m. on Sept. 8. Police say culprits threw a rock through a store window, climbed through and removed cash and cigarette cartons. An estimated \$1,000 in damages was done to the store. Police are investigating.

Residence break-in

A computer disk player and amplifiers worth \$1,500 were stolen from a Gibbons Place address on Sept. 8 at approximately 6 a.m. Police say a resident of the home awoke to find a male fleeing with the stereo equipment. It is believed that entry was gained through a glass sliding door. Police are looking for an 18-to-20-year-old male, 5 ft., 9 in., 145 pounds, clean shaven and short dark hair with a tail at the back.

Delivery car theft

Just as Yong's Restaurant delivery person was at the front door of a Normandy Boulevard address Sunday at 12:10 a.m., someone stole his delivery car, drove 100 ft. down the street, picked up another person and sped off, Ontarip Provincial Police in Markdale spotted and stopped the 1983 Plymouth vehicle. Police have charged a 28-year-old Georgetown man with impaired driving and possession

of stolen property. The passenger, a 34-year-old Georgetown man, was also charged with possession of stolen property.

The two young offenders are scheduled to appear in Milton Provincial Court on Oct. 19.

Stolen property

When police arrived at a Main Street Acton restaurant Sept. 7 to respond to a complaint, they discovered a 1982 grey Chevrolet Camaro used by a patron was reported stolen by an Orangeville resident. Will Ontario improve under the NDP?

Bev Eastwood, Erin - "I really hope so. They could be a very positive government."

Ruth Wallace, Georgetown - "I sure hope so. But anything would be an improvement over the Liberals."

Ed Tellier, Georgetown - "Give them a chance. They can't do any worse than the previous parties."

Turner voices opinion on provincial election

Calling Thursday's provincial election outcome "interesting," Halton-Peel Progressive Conservative MP Garth Turner said the public showed that "they want politicians to stand up and be accountable."

Mr. Turner's federal riding includes three provincial ridings, one in Burlington, another in Bolton and the third in Halton North.

Lorne Scots seek recruits

The Lorne Scots #676 Canadian Army Cadets are starting a new training year and have vacancies for young people (male and female) age 12-17 years.

Parade night is every Wednesday night, 7 p.m. starting tonight (Wednesday), at the Georgetown Armoury located just inside the Georgetown Fairgrounds off Charles Street.

The Army Cadet training program covers a wide scope of activities which challenge cadets to reach their maximum potential.

Further information on the Lorne Scots #676 Royal Canadian Army Cadets can be obtained by contacting the Armoury at 877-3311 or Capt. J.H. Harrison at 877-4215.

Noel Duignan, the provincial victor in Halton North, was the only NDP candidate to win a provincial riding in Halton-Peel despite the huge NDP majority across the province. A Liberal will represent the Burlington area and a Conservative was elected in the Bolton area.

Mr. Turner said he has only met Mr. Duignan once and that was this past weekend at the Georgetown Fall Fair. Judging from his performance during the all-candidates meeting, Mr. Turner said, the Halton North candidate-elect appeared to be a "hard worker."

The real test for Mr. Duignan and the NDP party is when it brings forth its first budget, said Mr. Turner.

At this time, "we'll see how much of the NDP election rhetoric is translated, into policy," he predicted.

Mr. Turner went on to explain that the NDP party will have to compromise its position on some issues based on his experience as a politician. He didn't specify these issues although he did say the business community has already experienced concern over some of the NDP policies.

The MP explained the defeat of Halton North Liberal incumbent Walt Elliot by saying that Mr. Elliot was just a "victim" of the public's discontent with the David Peterson government as a whole.

"Walt was a good constituency politician," said Mr. Elliot. As a result there is an element of unfairness in his defeat, "but that's democracy," he explained.

As for his own party calling an early election, the MP predicted that's unlikely. He said he would be surprised if the federal government called an election before it's term is close to being finished in 1993.
