HOME OF THE WEEK

PLAN NO. 1188-2268

OPEN FLOOR PLAN ENHANCES ELEGANT DESIGN

Distinctive brick detailing and dominate arched windows adorn the exterior of this three-bedroom home. The spacious living room and adjoining dining room, with imposing coffered ceilings and front view bay window, create an elegant atmosphere for those special occasions. The open plan design of the family room and kitchen creates an expansive informal space and a natural gathering spot for the family. The kitchen is a gourmet's delight with efficient centre cooking island, corner windows over the angled sink, pantry and sunny breakfast bay. A den, positioned away from the noisy traffic area, serves as an ideal multi-purpose room and may be used as a guest room, study or computer centre.

An impressive two storey foyer accented by a large Palladian window ascends to a railed gallery above. The elegant master suite boasts his and hers walk-in closets and a lavish ensuite with raised whirlpool spa, twin vanity and shower. Future expansion is easily accommodated in a 198 square foot bonus room and may be utilized as an extra

bedroom or media room.

Finished floor area of this family home is 2,326 square feet.
