PLAN NO. 86-2859

**CLASSIC TUDOR OFFERS DEN AND BONUS ROOM**

Varying rooflines, box windows and stately brick accents grace the exterior of this four bedroom, 2,859 square foot Tudor style home. The interior, with exceptional features, offers an ideal layout that carefully separates the informal and formal living space.

A sweeping curved staircase dominates the two storey foyer. To the left is a sunken living room with bay window, masonry fireplace and adjoining dining room. The casual living area revolves around an open plan kitchen, adjoining greenhouse breakfast bay and large sunken family room with masonry fireplace. The gourmet kitchen features a built-in pantry, desk organizer and abundant counter space. The secondary access from the double car garage opens to a convenient laundry/mudroom, which includes a handy sewing centre and coat closet. A powder room and quiet den or library complete this level.

Upstairs, impressive French doors open to a massive master bedroom. A walk-through dressing room with twin mirrored closet doors leads to a luxurious ensuite with a shower and raised whirlpool spa tucked in a windowed bay. The three additional

bedrooms share a three piece bathroom with tub. A 262 square foot bonus room provides extra space which may be used as a future game room or fifth bedroom.
