

Quick thinking saves Steamer's good buddy

Continued from Pg. 13
He was Houdini. Abra Cadabra. In seconds he had that door open and seemed to relish the idea it was a job done on the house for the judge.

We were all grateful for his expertise and kind assistance as he gave a shackled wave good-bye. Mr. Henry was relieved, I was

relieved and the Senior Judge? We met at a retirement party not long ago and we had a good laugh over the incident.

The accused, well he just kept on doing what he knew best, opening car doors quickly and quietly. We were impressed. And Bill, we never let him handle keys again.

Cubs earn badges

Continued from Pg. 13
Following registration on Saturday morning, A.D.C. Andrew Kayess had the Cubs form up in a circle for a Grand Howl.

Sandy Symmes then spoke to the Cubs outlining the activities for the day.

The Cubs were divided up into four groups with Sherry Evans and Brian Taylor presenting the Wildlife Garden and Tree Planting.

Sandy Symmes started with a water experiment using celery to show the Cubs the capillary action. This was followed by a presentation on the snapping turtle - a threatened species.

Rita Schulze had the Cubs make a pine cone bird feeder. A question and answer period followed each session then the Cubs rotated.

Lunch in the picnic shelter was looked after by the Leaders and Cubs.

The afternoon activities under the leadership of Ric and Sandy

Symmes was a nature survey, identification hike and hike presentation. The natural beauty of the conservation at this time of year was almost perfect. This part of the program was enjoyed by everyone.

Phil Alward and Andrew Kayess looked after a session on Damage to Nature, and Improvements to Nature.

The program ended with Fish Talk and Outdoor Behaviour.

This Conservation Day at Terra Cotta Conservation Area was made possible by Mrs. Sandy Symmes, Nature Interpreter, so North Halton District Cubs can earn their Conservation Badge.

Cubs and Leaders were present from Acton, Georgetown, Glen Williams, Hornby and Limehouse.

A hearty vote of thanks goes out to Mrs. Symmes and members of the Conservation Area for giving their time to make this a great day for the Cubs. Many thanks to you all.

Halloween safety

Drivers can help keep streets safe this Halloween despite the throng of witches, ghosts, goblins and gremlins, advises the Hamilton Automobile Club.

"Behind the masks and costumes this Halloween will be small children who may be more interested in running to the next house than in watching for traffic," said Richard Congdon, HAC President. "Motorists must help keep them safe."

"Halloween is a dangerous time because of the increased number of children on the street during dusk or evening hours," Mr. Congdon said. He advised motorists to beware of the unexpected.

They should watch for children running out from between parked cars and be careful when making turns.

Motorists should make sure their headlights are clean and

turned on at the first sign of dusk. They should drive carefully and limit speeds in residential areas to 25 kilometres per hour.

Parents or older brothers and sisters should accompany young children as they trick-or-treat. Parents also should talk about safety as they help their children get ready to hit the streets.

Among the rules parents should discuss with children are making sure they stay in familiar neighbourhoods and along well-lighted routes. Children also should be encouraged to travel with a group of other children and stay on the sidewalk.

HAC also urges children to trick-or-treat only while it still is light or carry a flashlight if they plan to be out at dusk. They should wear costumes that makes it easy to walk and be seen, use reflective tape where possible and preferably use facial paint instead of masks.

Halton Cable Systems

Program Listings for Halton Community Television Cable 4

- MONDAY, OCTOBER 29**
5:30 - TV Storytime

An' for Christmas I wanna bike, an' a radio, an' a dog, an' a skateboard, an' a record player, an' a sled, an' skates, an' my own phone, an' video games, an' a hockey stick, an' a football, an' a microscope, an' a camera, an' a go-bot . . .

Make sure Santa gets their wish list with a Letter to Santa!

Coming November 21st, classified will feature a special "Letters to Santa" section. Don't miss this wonderful opportunity to let your child's letter to Santa appear in this delightful special section. It's simple and your child will love seeing his or her letter in the newspaper.

Have your child write a personal letter to Santa on a white 8 1/2" x 11" sheet of paper. (Please don't make any corrections — that's what makes reading the letters so much fun!) Then send the letter postmarked no later than December 9th to

The Halton Hills Herald
45 Guelph Street
Halton Hills (Georgetown)
L7G 3Z6

Don't forget, classified can help you fill their wish list with super savings on all types of gifts.

For more details or to place your ad, call any of our Santa's helpers at 877-2201.
