**Your  
Birthday**

Oct. 31, 1990

A secondary interest you've been cultivating but have never tried to develop commercially might find its way to market in the year ahead. The results might be better than you anticipated.

**SCORPIO (Oct. 24-Nov. 22)** You could be extremely lucky today in developments that have strong, competitive elements. When those that compete against you are gasping for air, you'll be getting a second wind! Scorpio, treat yourself to a birthday gift.

**SAGITTARIUS (Nov. 23-Dec. 21)** Social contacts you make at this time could turn out to be more than merely pleasurable dinner companions. These individuals could play helpful roles in your affairs.

**CAPRICORN (Dec. 22-Jan. 19)** If there is something significant you've been wanting to finalize this is the right day to do something about it, even if your past efforts have been rather futile. Today it's a new ball game.

**AQUARIUS (Jan. 20-Feb. 19)** It's best not to make any major decisions today, especially of a social or financial nature without first consulting your spouse whose ideas might be better than yours.

**PISCES (Feb. 20-March 20)** If you are striving for financial objectives today, your chances for attaining them are good, provided you are bold, industrious and aren't trying to get something for nothing.

**ARIES (March 21-April 19)** Don't be hesitant about talking shop with people with whom you're involved socially today. The big order you couldn't close in a commercial environment might be done in a convivial atmosphere.

**TAURUS (April 20-May 20)** In order to advance a matter of personal importance today bold, imaginative measures might be required. Be resourceful, think creatively and act positively.

**GEMINI (May 21-June 20)** Although you're apt to be reasonably lucky in most areas today, your greatest stroke of fortune could come from an endeavor that has recently captured your imagination and hopes.

**CANCER (June 21-July 22)** Lady Luck may be inclined to favor you today in a situation that is meaningful to both your finances and reputation. If everything comes together correctly, the results will be impressive.

**LEO (July 23-Aug. 22)** You'll be happiest today doing exciting things that are departures from your usual routines. If life has been boring lately, seek a safe, adventurous distraction.

**VIRGO (Aug. 23-Sept. 22)** Your possibilities for fulfilling your material objectives today are very strong. You have three big factors going for you: motivation, ambition and luck.

**LIBRA (Sept. 23-Oct. 23)** You're gifted with the ability to put together constructive alliances or partnership arrangements that produce mutual benefits. Today you might do some of your best work.

**UNICEF**  
would like to wish every child a happy and safe Halloween.
